Circle in the Darkness Sep 28 2019 *Circle in the Darkness* recounts veteran journalist Diana Johnstone's lifelong effort to understand what is going on in the world, seeking the truth about our troubled times beyond the veils of government propaganda and media deception. For Johnstone, the political is personal. From her experience of Cold War hostilities as a student in Yugoslavia, in the movement against the U.S. war against Vietnam, in May '68, in professional and alternative journalism, in the historic peace movement of the 1980s that led to the reunification of Germany, in the transformation of the German Greens from peace to war party and the European Union's sacrifice of democracy to "globalization", her critical viewpoint dissects events and identifies trends. She recounts in detail how the Western left betrayed its historical principles of social justice and peace and let itself be lured into approval of aggressive U.S.-NATO wars on the fallacious grounds of "human rights". Subjects range from caustic analysis of the pretentious confusion of French philosophers to the stories of many courageous individuals whose struggle for peace and justice ended in deep personal tragedy, with a great deal in between. *Circle in the Darkness* is a lucid, uncompromising tour through half a century of contemporary history intended especially for those who may aspire against all obstacles to change its course for the better.

He Who Gives Life May 05 2020 Often the most misunderstood, and therefore ignored, member of the Trinity, the Holy Spirit deserves our attention and understanding. God the Father and God the Son rightfully garner much explanation and exploration, and God the Holy Spirit ought to be given the same studiousness, curiosity, and scholarship. In this addition to Crossway's Foundations of Evangelical Theology series, Dr. Graham Cole has written a work that offers a comprehensive theology of the Holy Spirit. This book shows the ultimate selflessness of the Holy Spirit as the member of the Trinity who always works for the glory of God the Father and God the Son and the good of the saints. Ideal for pastors, teachers, and students of theology, this book is a superb theology of the Holy Spirit. Part of the Foundations of Evangelical Theology series.

Chasing the Dragon Jan 25 2022 Until it was pulled down, the Walled City was Hong Kong's most foreboding territory. It was a lawless place, dominated by the Triads, and which the police hesitated to enter. Strangers were unwelcome. When Jackie Pullinger set sail from England in 1966 she had no idea that God was calling her to the Walled City. Yet, as she spoke of Jesus Christ, brutal Triad gangsters were converted, prostitutes quit, and Jackie discovered a new treatment for drug addiction: baptism in the Holy Spirit.

Nymph of Darkness Aug 27 2019 Nysa appeared mysteriously with a request of Northwest Smith... excerpt The thick Venusian dark of the Ednes waterfront in the hours before dawn is breathless and tense with a nameless awareness, a crouching danger. The shapes that move murkily thru its blackness are not daylight shapes. Sun has never shone upon some of those misshapen figures, and what happens in the dark is better left untold. Not even the Patrol ventures there after the lights are out, and the hours between midnight and dawn are outside the law. If dark things happen there the Patrol never knows of them, or desires to know. Powers move thru the darkness along the waterfront to which even the Patrol bows low. Thru that

breathless blackness, along a street beneath which the breathing waters whispered, Northwest Smith strolled slowly. No prudent man ventures out after midnight along the waterfront of Ednes unless he has urgent business abroad, but from the leisurely gait that carried Smith soundlessly thru the dark he might have been some casual sightseer. He was no stranger to the Ednes waterfront. He knew the danger thru which he strolled so slowly, and under narrowed lids his colorless eyes were like keen steel probes that searched the dark. Now and then he passed a shapeless shadow that dodged aside to give him way. It might have been no more than a shadow. His no-colored eyes did not waver. He went on, alert and wary. He was passing between two high warehouses that shut out even the faint reflection of light from the city beyond when he first heard that sound of bare, running feet which so surprised him. The patter of frantically fleeing steps is not uncommon along the waterfront, but these were—he listened closer—yes, certainly the feet of a woman or a young boy. Light and quick and desperate. His ears were keen enough to be sure of that. They were coming nearer swiftly. In the blackness even his pale eyes could see nothing, and he drew back against the wall, one hand dropping to the ray gun that hung low on his thigh. He had no desire to meet whatever it was which pursued this fugitive. But his brows knit as the footsteps turned into the street that led between the warehouses. No woman, of whatever class or kind, ventures into this quarter by night. And he became certain as he listened that those feet were a woman's. There was a measured rhythm about them that suggested the Venusian woman's lovely, swaying gait. He pressed flat against the wall, holding his breath. He wanted no sound to indicate his own presence to the terror from which the woman fled. Ten years before he might have dashed out to her—but ten years along the spaceways teaches a man prudence. Gallantry can be foolhardy sometimes, particularly along the waterfront, where any of a score of things might be in close pursuit. At the thought of what some of those things might be the hair prickled faintly along his neck.

Verses Against the Darkness May 29 2022

Verses Against the Darkness: offers a new assessment of Pablo Neruda's poetry by looking at the intersection of his aesthetic method and political radicalism from 1925 to 1954. It challenges the canonical view that Neruda was a gifted verse maker who, in 1936, let himself be carried away by the excesses of communist politics. Instead, by focusing primarily on *Tercera residencia* (1935-1945), Greg Dawes

argues for an uneven yet steady evolution and continuity in Neruda's work, politics, and morality. Dawes relies on historical accounts, biographies, literary history, and criticism - and on Neruda's political and aesthetic theory - to prove that his poetry became, contrary to received critical opinion, more sophisticated literarily and politically as he became more radicalized during the Spanish Civil War and World War II and as he developed his dialectical realism or guided spontaneity. Greg Dawes is Associate Professor of Latin American and World Literatures at North Carolina State University and is the editor of the on-line journal *A contracorriente*.

PIERCING THE DARKNESS May 17 2021 Many Christians have chosen to turn a deaf ear and

blind eye to the subject of spiritual warfare, deliverance, and demons. It is important to equip yourself with the proper ammunition in order to stand against Satan and those who follow him. We must realize that Satan doesn't just hide behind every bush and under every rock. Sometimes he finds a resting place within our churches. He may sing a pretty lullaby to the church and prevent Christians from hearing the true Word of God. Demons have been at this game for a long time and unfortunately they know more scripture than most Christians. We must put on the full armor of God and realize this is war - not against flesh and blood, but against the rulers of darkness in high places (Eph. 6:12). Jesus Christ is where our power comes from. He did not leave us powerless to overcome, but has endowed us with power to stand against Satan in such a time as this. If you were heading out to battle would you go unprepared - without weapons, without armor, without a leader, without an army? Within the pages of this book you will find the help needed to overcome these obstacles in your life. You will learn, among other things, how to break away from generational curses and most importantly, how to live a victorious life in Jesus Christ our Lord and to prepare yourself.

This book explores the doctrine of angels and demons, answering key questions about their nature and the implications for Christians' beliefs and behavior, helping readers see their place in the larger biblical plotline that includes supernatural beings. An understanding of the reality of angels and demons encourages believers to be vigilant in the light of spiritual warfare and to be confident in Christ's victory on the cross.
