**"Pouring Jewish Water into Fascist Wine"** Jun 25 2019 This book offers a critical edition of the petitions in their original Italian language that (Catholic) Jews residing in Italy submitted to the Fascist General Administration for Demography and Race (Demorazza) in order either to be "discriminated," i.e., not subjected to various provisions of Mussolini's racial laws.

**Antifascisms** Feb 11 2021 This book is an in-depth analysis of three of the most crucial years in twentieth-century Italian history, the years 1943-46. After more than two decades of a Fascist regime and a disastrous war experience during which Italy changed sides, these years saw the laying of the political and cultural foundations for what has since become known as Italy's First Republic. Drawing on texts from the literature, film, journalism, and political debate of the period, Antifascisms offers a thorough survey of the personalities and positions that informed the decisions taken in this crucial phase of modern Italian history.
