The Azusa Street Revival Nov 30 2019 Pentecostal congregations are among the fastest-growing churches in the world, but modern-day Pentecostalism had an inconspicuous start. It began in a church on Azusa Street in Los Angeles in 1906, spawning the Pentecostal Movement. The first section is a pictorial history of many of the events and people who have been a part of the Pentecostal/Charismatic world. The Azusa Street Centennial will: Chronicle Pentecostalism's growth, highlighting the events and people who have been a part of this movement Look back at the Healing Revival and the Latter Rain Revival Document the rise of the Charismatic Movement, highlighting important developments through the final decades of the twentieth century Clearly outline the difference between Charismatic and Pentecostal churches Destined to be a collector's item, this book is the definitive resource for a historical, pictorial, and chronological record of the Azusa Street Revival.

Grammar for English Language Teachers Aug 08 2020 An invaluable resource helping teachers at all levels of experience to develop their understanding of English grammar. Grammar for English Language Teachers is designed to help practising and trainee teachers to develop their knowledge of English grammar systems. It encourages teachers to appreciate factors that affect grammatical

choices, and evaluates the 'rules of thumb' presented to learners in course materials. Consolidation exercises provide an opportunity for teachers to test these rules against real language use and to evaluate classroom and reference materials.

Centennial Sep 01 2022 Written to commemorate the Bicentennial in 1976, James A. Michener's magnificent saga of the West is an enthralling celebration of the frontier. Brimming with the glory of America's past, the story of Colorado—the Centennial State—is manifested through its people: Lame Beaver, the Arapaho chieftain and warrior, and his Comanche and Pawnee enemies; Levi Zandt, fleeing with his child bride from the Amish country; the cowboy, Jim Lloyd, who falls in love with a wealthy and cultured Englishwoman, Charlotte Secombe. In Centennial, trappers, traders, homesteaders, gold seekers, ranchers, and hunters are brought together in the dramatic conflicts that shape the destiny of the legendary West—and the entire country. **BONUS:** This edition includes an excerpt from James A. Michener's Hawaii. Praise for Centennial "A hell of a book . . . While he fascinates and engrosses, Michener also educates."—Los Angeles Times "An engrossing book . . . imaginative and intricate . . . teeming with people and giving a marvelous sense of the land."—The Plain Dealer "Michener is America's best writer, and he proves it once again in Centennial. . . . If you're a Michener fan, this book is a must. And if you're not a Michener fan, Centennial will make you one."—The Pittsburgh Press "An absorbing work . . . Michener is a superb storyteller."—BusinessWeek

Proactive Media Relations May 29 2022 Drawing on the author's many years of experience both as a media relations practitioner and a classroom instructor, Proactive Media Relations: A Canadian Perspective, Third Edition provides an indispensable tool kit for professionals and students alike. Mark Hunter LaVigne first explains where media relations fits within the discipline of public relations before going on to outline basic procedures and practices. Topics covered include: The relationship between media relations and effective marketing Newsworthiness and why it matters The challenges facing today's journalists and how, by understanding them, media relations professionals can work proactively with reporters and editors Diverse target audiences and their media habits Media relations in French Canada Interview tips for television, radio and print How to make effective use of social media to present a client's story Tips on writing news releases, backgrounders, position papers and personality profile At the core of the book are eight real-life case studies drawn from the author's own professional practice. Each case study includes discussion of overall strategy, target audiences, methodologies and results of the campaign, as well as examples of media advisories and news releases. Proactive Media Relations is a book no practitioner of the discipline--or student preparing for a career in the field--can afford to be without.

Globalization and Global Citizenship Jul 19 2021 Globalization and Global Citizenship examines the meaning and realities of global citizenship as a manifestation of recent trends in globalization. In an interdisciplinary approach, the chapters outline and analyse the most significant dimensions of global citizenship, including transnational, historical, and cultural variations in its practice; foreign and domestic policy influences; and its impact on personal identities. The contributions ask

and explore questions that are of immediate relevance for today's scholars, including: How does globalization in its current form present a new set of challenges for states, non-state actors, and individual citizens? How has globalization diminished, expanded, or complicated notions of citizenship? What rights could exist outside the context of state sovereignty? How can social accountability be imagined beyond the borders of towns, cities, or states? What forms of political representational legitimacy could be productive on the global level? When is it useful, possible or desirable for individuals to identify with global political communities? Drawing together a broad range of contributors and cutting edge research the volume offers chapters that seek to reflect the full spectrum of approaches and topics, providing a valuable resource which highlights the value of an extended and thoughtful study of the idea and practice of global citizenship within a broader consideration of the processes of globalization. It will be of great use to graduates and scholars of international relations, sociology, and global studies/affairs, as well as globalization.

Morris Micklewhite and the Tangerine Dress

Jan 01 2020 Morris is a little boy who loves using his imagination. But most of all, Morris loves his classroom's dress-up center and its tangerine dress. Morris is a little boy who loves using his imagination. He dreams about having space adventures, paints beautiful pictures and sings the loudest during circle time. But most of all, Morris loves his classroom's dress-up center — he loves wearing the tangerine dress. But the children in Morris's class don't understand. Dresses, they say, are for girls. And Morris certainly isn't welcome in the spaceship some of his classmates are building. Astronauts, they say, don't wear dresses. One day when Morris feels all alone, and sick from the taunts of his classmates, his mother lets him stay home from school. Morris reads about elephants, and puts together a puzzle, and dreams of a fantastic space adventure with his cat, Moo. Inspired by his dream, Morris paints the incredible scene he saw, and brings it with him to school. He builds his own spaceship, hangs his painting on the front of it and takes two of his classmates on an outer space adventure. With warm, dreamy illustrations Isabelle Malenfant perfectly captures Morris's vulnerability and the vibrancy of his imagination. This is a sweetly told story about the courage and creativity it takes to be different. Correlates to the Common Core State Standards in English Language Arts: CCSS.ELA-LITERACY.RL.1.3 Describe characters, settings, and major events in a story, using key details. CCSS.ELA-LITERACY.RL.1.4 Identify words and phrases in stories or poems that suggest feelings or appeal to the senses.

Canadian Organizational Behaviour May 05 2020 The Seventh Edition of *Canadian Organizational Behaviour* is truly a "new and improved" McShane: new trim size, fresh new design, new co-author, reorganized table of contents, improved examples, and even enhanced readability. The McShane brand is known for its cutting edge research and scholarship, recognized for its "for Canadians, by Canadians" approach to content, and respected for its firm anchoring of Canadian material within a global context. No other OB book offers the kind of comprehensive coverage in such an accessible, readable format. *Canadian Organizational Behaviour* continues to lead the way as the most innovative OB text on the market. McShane was the first OB textbook to include topics such as workplace emotions, appreciative inquiry, social identity theory, future search events, virtual teams, workaholicism, and emotional intelligence. The innovation continues in the seventh edition with new and expanded coverage of topics such as employee engagement, resilience, four-drive theory, blogs and wikis, psychological harassment, learning orientation, Schwartz's values model, and separating socioemotional from constructive conflict. The pedagogical features have been completely overhauled to speak to new and emerging topics in OB worldwide, including the opening vignettes, the photo essays in each chapter, and many of the end-of-chapter exercises and end-of-part cases.

A People's History of the United States Oct 10 2020 A classic since its original landmark publication in 1980, Howard Zinn's *A People's History of the United States* is the first scholarly work to tell America's story from the bottom up—from the point of view of, and in the words of, America's women, factory workers, African Americans, Native Americans, working poor, and immigrant labourers. From Columbus to the Revolution to slavery and the Civil War—from World War II to the election of George W. Bush and the "War on Terror"—*A People's History of the United States* is an important and necessary contribution to a complete and balanced understanding of American history.

In the Time of the Butterflies Jun 17 2021 It is November 25, 1960, and three beautiful sisters have been found near their wrecked Jeep at the bottom of a 150-foot cliff on the north coast of the Dominican Republic. The official state newspaper reports their deaths as accidental. It does not mention that a fourth sister lives. Nor does it explain that the sisters were among the leading opponents of Gen.

Rafael Leonidas Trujillo's dictatorship. It doesn't have to. Everybody knows of Las Mariposas—"The Butterflies." In this extraordinary novel, the voices of all four sisters—Minerva, Patria, María Teresa, and the survivor, Dedé—speak across the decades to tell their own stories, from hair ribbons and secret crushes to gunrunning and prison torture, and to describe the everyday horrors of life under Trujillo's rule. Through the art and magic of Julia Alvarez's imagination, the martyred Butterflies live again in this novel of courage and love, and the human cost of political oppression.

The Fourth Industrial Revolution Dec 12 2020 The founder and executive chairman of the World Economic Forum on how the impending technological revolution will change our lives We are on the brink of the Fourth Industrial Revolution. And this one will be unlike any other in human history. Characterized by new technologies fusing the physical, digital and biological worlds, the Fourth Industrial Revolution will impact all disciplines, economies and industries - and it will do so at an unprecedented rate. World Economic Forum data predicts that by 2025 we will see: commercial use of nanomaterials 200 times stronger than steel and a million times thinner than human hair; the first transplant of a 3D-printed liver; 10% of all cars on US roads being driverless; and much more besides. In *The Fourth Industrial Revolution*, Schwab outlines the key technologies driving this revolution, discusses the major impacts on governments, businesses, civil society and individuals, and offers bold ideas for what can be done to shape a better future for all.

Navigating the Field Sep 20 2021 This volume is a collation of postgraduate fieldwork experiences in social research that provides a platform for early career researchers (ECRs) to be open about the hidden labour of doing postgraduate fieldwork. This book documents diverse fieldwork experiences, gathering critical reflections on 'the field' from a wide range of ECRs. The issues presented here go

from the process of identifying the field to navigating life in (and after) it, including things that happen in-between. This text shows a different set of methodological considerations in relation to access, ethics, identity, positionality, power and practices, highlighting how ECRs' fieldwork experiences may help broaden traditional frameworks of research. Exploring how postgraduate researchers make sense of these issues and what kind of decisions they make in specific circumstances helps to reveal broader concerns, institutional practices and constraints. Through these reflections, this book makes an important point that there is a need for researchers to document the 'real story' behind fieldwork. The honesty and openness of contributors in this volume are positive steps towards fostering a research culture where reflections upon weaknesses and failures are as welcome as presentations of successful fieldwork techniques and methods. The fact that this book is written and edited by ECRs, the topics it presents — both emerging and long-debated but still relevant — and the broad range of approaches make this text unique. We hope these points will make this work useful for researchers of all levels and across disciplines, and that this text will allow the reader to rethink some essential aspects of social research that are often taken for granted. We expect the diverse reflections offered in this book to appeal to researchers across disciplines at different stages of their career and that this will be a useful resource for researchers to map and navigate their own research pathways.

Working with Homeless and Vulnerable People Jan 31 2020 It has long been established that access to food, clothing, medical care, and housing are fundamental human rights the world over. Helping the approximately 600,000 Americans and 300,000 Canadians who are currently homeless work toward this goal is a complex undertaking. This text presents the fundamental knowledge and skills that frontline workers need in order to help vulnerable and homeless persons. It provides readers with both an understanding of the lived experiences of those who have faced homelessness and an outline of the interprofessional practice context of services for homeless people. Waagemakers Schiff focuses on the interventions and best practices that have been found to be most effective in making connections, establishing helping relationships, and working with individuals on moving toward stabilization.

Shrugged is Ayn Rand's magnum opus: a philosophical revolution told in the form of an action thriller—nominated as one of America's best-loved novels by PBS's The Great American Read. Who is John Galt? When he says that he will stop the motor of the world, is he a destroyer or a liberator? Why does he have to fight his battles not against his enemies but against those who need him most? Why does he fight his hardest battle against the woman he loves? You will know the answer to these questions when you discover the reason behind the baffling events that play havoc with the lives of the amazing men and women in this book. You will discover why a productive genius becomes a worthless playboy...why a great steel industrialist is working for his own destruction...why a composer gives up his career on the night of his triumph...why a beautiful woman who runs a transcontinental railroad falls in love with the man she has sworn to kill. Atlas Shrugged, a modern classic and Rand's most extensive statement of Objectivism—her groundbreaking philosophy—offers the reader the spectacle of human greatness, depicted with all the poetry and power of one of the twentieth century's leading artists.

Academic Leadership Jun 29 2022 Academic Leadership A Reflective Practice Guide for Community College Chairs The true measure of your own leadership capacity is the extent to which you are able to support your team in becoming leaders themselves. Community College Chairs have dual roles. On one hand, they need to manage their own and others' work to advance the strategic and business directions and commitments of the college. On the other hand, they need to lead their department team in ways that mobilize, inspire and develop each individual, such that all employees are highly engaged in working to their full capacity. Complex, challenging and exciting, the Chair's role is vital to the success of the college as a learning-centered organization. This manual distills the practice wisdom of two seasoned academic leaders, providing a menu of reflective leadership practice activities, tools for eliciting feedback from others, and practical tips for creating a high-functioning and positive departmental culture. Illustrated throughout with personal leadership stories and case examples, the manual provides a roadmap to leadership success for both new and experienced Academic Chairs.
