There is a space provided for the student to practice writing the words. The students are then given a blank crossword grid. The illustrations are repeated on the page and serve as the clues to the crossword puzzle.

Puzzles from 100 Thematic Crossword Puzzles Junior can be used alone or with other thematically linked materials. Includes a complete Answer Key.

May 24 2022 The world lies devastated after the massive oil crisis that was described in LAST LIGHT. Human society has more or less entirely broken down and millions lie dead of starvation and disease. There are only one or two beacon communities that have managed to fashion a new way of living. But as her and her people start to explore their surroundings once again, they start to realise not every survivor has the same vision of a better future than their catastrophic past. There are people out there who would take everything they have. War is coming, and the stakes are truly massive...
