The Ex-Wife's Survival Guide Mar 28 2022

Two months before Sarah's twin sons leave home for their gap year travel, her husband Andrew, a keen amateur thespian, announces that he's leaving her for his leading lady. Happily married for the past twenty years, Sarah has no idea how to fill her empty house, her empty days, nor play the role of discarded wife. As Sarah is to discover, the way forward is strewn with hazards and humiliations. If she is not to be bludgeoned to pieces, she must acquire skills for survival ... fast. Happily for Sarah, help (and hindrance!) is at hand in the

form of well-meaning neighbours, a misbehaved mongrel, an eventful trip to Majorca, an unassuming plumber, and an unwelcome role as Mrs De Winter in the forthcoming Ambercross Players' production of Rebecca. In this wickedly funny and hugely entertaining comedy of manners, life in a small Wiltshire village is exposed with a highly infectious sense of humour and a devastatingly accurate eye for detail. The sparkling comedy romance from the much-loved, bestselling author of *Recipe for Scandal*. If you love Wendy Holden, Elizabeth Buchan, Katie Fforde and Catherine Alliott, make Debby Holt your next read! What

everyone is saying about *The Ex-Wife's Survival Guide*: 'Thoroughly enjoyable ... Had me smiling from start to finish' Erica James 'I absolutely love this book. It is as funny as it is wise and I couldn't put it down' Katie Fforde 'A wickedly comical read' Heat 'From the author of the superb *Ex-Wife's Survival Guide* comes another wicked treat' Daily Mirror 'This fast-paced romantic comedy is perfect bad-weather escapism' She 'Clever and surprising' Daily Mail 'Laced with wise and witty humour this is great fun' Woman 'A deliciously funny, gently ironic novel, Jane Austen-like in its elegance and playfulness' Women's Weekly

Mike Holt's Illustrated Guide to Understanding the NEC Volume 1 Textbook 2011 Edition Jan 02 2020
Mammoth Book Of The World Cup Jul 20 2021 An all-encompassing, chronological guide to football's World Cup, one of the world's few truly international events, in good time for the June 2018 kick-off in Russia. From its beginnings in 1930 to the modern all-singing, all-dancing self-styled 'greatest show on Earth', every tournament is covered with features on major stars and great games, as well as stories about some less celebrated names and quirky

stats and intriguing essays. Holt's focus is very much on what takes place on the field, rather than how football is a mirror for economic corruption, or how a nation's style of play represents a profound statement about its people, or how a passion for football can lift underpaid, socially marginalised people out of poverty. From the best World Cups, in 1958 and 1970, to the worst, in 1962 and 2010, he looks behind the facts and the technical observations to the stories: the mysterious sins of omission; critical injuries to key players; and coaching U-turns. He explains how England's World Cup achievements under Sven-Göran Eriksson, far from being a national disgrace, were actually quite impressive, and looks at why Alf Ramsey didn't take Bobby Charlton off in 1970, but this is no parochial, jingoistic account. The book also asks why Brazil did not contribute in 1966, despite having won the previous two tournaments and going on to win the next one? Why the greatest players of their day did not always shine at the World Cup - George Best and Alfredo Di Stefano, for example, never even made it to the Finals. Why did Johann Cruyff not go to the 1978 World Cup? And why did one of Germany's greatest players never play in the World Cup? There are lots of tables, some filled with obvious, but necessary information, but others with more quirky observations. Alongside accounts of epic games, there are also brief biographies of all the great heroes of the World Cup.

Major and Mrs. Holt's Concise Illustrated

Battlefield Guide to the Western Front, South May 06 2020 MAJOR & MRS HOLT'S Concise, Illustrated BATTLEFIELD GUIDE TO THE WESTERN FRONT- SOUTH contains many fascinating but little-visited areas by travelers and is hoped that they will be tempted further afield than the 'showcase' and sophisticatedly presented battlefields like the Somme to discover some marvelous sites. Many of them have lain virtually 'dormant' for many years (such as areas of the Meuse-Argonne and Champagne) but have recently been renovated and opened up by dedicated local enthusiasts. There are many 'gems' in store in this book. Each battlefield starts with some pertinent quotations by participants, has a succinct Summary of the Battle, Opening Moves and What Happened sections then a Battlefield Tour which follows the same tried and tested formula as the rest of the series of a timed and measured itinerary with historic and anecdotal information at each stop. A detailed Sketch Map showing battle lines and each stop on the route accompanies every battle using the same color code (of yellow for memorials, purple for cemeteries, blue for museums) as the larger Holts' Battle Maps. Together the two books MAJOR & MRS HOLT'S Concise, Illustrated BATTLEFIELD GUIDE TO THE WESTERN FRONT- SOUTH and NORTH will form the most comprehensive and detailed English-language guides to the WW1 Western Front ever produced.

Teach Your Own Nov 11 2020 The classic and indispensable work on teaching children at home, fully revised and updated for today's new generation of homeschooling parents During the coronavirus pandemic, the majority of American children had to learn from home, leaving many parents struggling to support their children's education and worrying about when and if it's the right time to send their children back to in-person learning. starring Daniel Radcliffe, this is the full account of the tragic life of John 'Jack' Kipling. On 27th September 1915 John Kipling, the only son of Britain's best loved poet, disappeared during the Battle of Loos. The body lay undiscovered for 77 years. Then, in a most unusual move, the Commonwealth War Graves Commission (CWGC) re-marked the grave of an unknown Lieutenant of the Irish Guards, as that of John Kipling. There is considerable evidence that John's grave has been wrongly identified and for the first time in this book, the authors name the soldier they believe is buried in 'John's grave'. This is the first biography of John's short life, analysing the devastating effect it had on his famous father's work.
