Drawing Life Apr 03 2020 Chronicles the artist's career, covering his life, graphic design style, inspirations, and art.

Drawing Nov 30 2019 "Drawing" presents its subject as an independent, major, art form -- one of the oldest mods of artistic expression, rediscovered in our generation as a delight for connoisseurs and as an exciting discipline for practicing artists. With 330 reproductions of the finest examples, in black and white and full color, to illustrate his text, Professor Mendelowitz examines those special characteristics that make a "drawing," and analyzes an immense range of master drawings both within the context of their historical development and in relation to the elements and principles of line, value, form, texture, and media. In a final chapter the author presents a unique and altogether challenging inquiry into the role the imagination plays in catalyzing the appreciation of drawing and expression in this form. -- From publisher's description.

Children Draw And Tell Jul 07 2020 First published in 1988. Routledge is an imprint of Taylor & Francis, an informa company.

365 Days of Drawing Dec 24 2021 Get lost in your creativity with 365 Days of Drawing, a thoughtful and inspiring art journal designed to help you carve out moments of self-expression. Lorna shows you that drawing does not have to be scary - it can be done with any materials, in any color, in any style and can be done anywhere. Each activity has been given a loose category: imagination, tutorial, relaxation, color theory, and observational, so that you can practice a broad range of drawing skills. Each 'theme' is designed to expand your creative skills and spark the artist within. With helpful prompts and pages that encourage you to try new materials to draw with, 365 Days of Drawing is guaranteed to stir your imagination and put a little creativity into every single day.

Little Children's Colouring Book Aug 20 2021 A bright and friendly first colouring book for little ones, with simple objects to colour on every page. The backgrounds are already coloured in, so little children can focus on the exciting parts.

A Short Book about Drawing Sep 08 2020 Like millions of others, Andrew Marr draws. He hasn't had lessons, yet since childhood, the journalist and TV presenter has been at his happiest with a pen or brush in his hand. One way or another he draws most days, even if it's just a doodle on the edge of a newspaper. But why does he do it? Does it have a point? And in what way, if any, does this activity of his relate to what we think of as 'art'? In this intriguing new book, Andrew Marr explores the subject of drawing and painting through his own experience. He considers the mechanics of the drawing process - the act of making and its importance for a happy life - along with the ways in which good drawing or painting can make us think harder and see the world differently. He also investigates the tensions between drawing as concentrated work and drawing as an expression of freedom or play, and looks at the historical differences between drawing and fine art as well as how drawing fits into today's art world. Written in his signature fresh, engaging and evocative style and illustrated with his own work, *A Short Book About Drawing* is Andrew Marr's unique take on this absorbing subject.

Drawing: Basic Textures in Pencil Feb 23 2022 Gain the drawing skills you need to create textured works like a pro with *Drawing: Basic Textures in Pencil*. Pre-Raphaelite Drawing Nov 10 2020 The paintings of the Pre-Raphaelite Brotherhood are widely known and loved, but this book - newly available in paperback - presents a comprehensive survey of the intimate world of the Pre-Raphaelites' drawings. Works by Dante Gabriel Rossetti, William Holman Hunt and John Everett Millais are set beside those of their followers Edward Burne-Jones, William Morris and Ford Madox Brown, as well as lesser-known figures such as James Collinson and Frederick Sandys. Copiously illustrated with Pre-Raphaelite drawings from public and private collections around the UK, the book features an illuminating text by the renowned art historian Colin Cruise, offering a fresh and intimate perspective on this much-loved group of artists. 'Highly readable ... a fresh and intimate look at a compelling subject' - Good Book Guide 'A lasting contribution to the study of Pre-Raphaelite drawings' - The Burlington Magazine 'Packed with illustrations and an illuminating text' - RA Magazine 'A totally rewarding book in every way: it is a joy to look at and a delight to read' - Artist
