Rolex Encyclopedia Sep 21 2021 **PRESENTATION: THE ULTIMATE BOOK ABOUT ROLEX** Rolex Encyclopedia is the most complete and updated guide on vintage and modern Rolex watches and it includes every Rolex produced from 1905 until today. A travel through time which you won't be able to interrupt! There is a big story behind every important brand: a story made of great ideas, great adventures, enterprises and innovations that have changed the world that we knew. This is the case of Rolex. Many things have already been said about its story, but the love and passion of Guido Mondani Editore have no limits and this is why the Rolex Encyclopedia wants to reach the soul of the story of this important brand, which has changed the world of watchmaking forever. No one before has ever written so much about the great enterprises of Rolex: a story of outstanding pioneers, of courageous and far-sighted persons, of state-of-the-art watches, which almost represent the Holy Grail for watch collectors. A story told in three big books that in their kind are definitely another unique mission. **TOPICS** Ask yourself a question, any question What is the origin of the name Rolex? Where does the nickname "Bubble Back" come from? How many pieces of the Rolex Split-Seconds model were produced? When was the Submariner model created to commemorate the Panama Channel? How many Marks exist for the Submariner and Sea-Dweller models? How many Daytona watch models were produced? How many hours does it take to produce a Cerachrom bezel? You will find all the answers in here. Furthermore, these books also provides the estimates of every Rolex, basing on the conditions, and the updated price of all watches in production. **MODELS** Air-King, Bart Simpson, Bicchierini dial, Bubble Back, Buckley dial, Comex, Chronographs, Cosmograph, Dato-compax, Daytona, Deep Sea, Double Red, Exclamation mark, Explorer I, Explorer II, Explorer dial, Feet First, Glidelock, Glossy dial, GMT-Master, Ghost dial, Green, Hulk, James Bond, Lumi dial, Meter First, Milgauss, Military, Moon Phases, Oman dial, Oyster Date, Oyster DateJust, Oyster DateJust II, Oyster Day-Date, Oyster Day-Date II, Oyster No Date, Panerai, Patent Pending, Patrizzi Dial, Personalized dials (Astrua, Bucherer, Cartier, Cuervos y Sobrinos, Panama Canal, Polipetto, Ronchi, Serpico y Laino, Tiffany, Verga, Versace), Prince, Quartz, Rehaut, Sea-Dweller, Sky-Dweller, Spider dial, Sub-aqua, Submariner, Texano, Triplesix, Tropical dial, Turn- O-Graph, Underline, Yacht Master.

Public Management and Administration Oct 23 2021 The public sector plays an important role for both regulation and in the delivery of services directly or indirectly. In this context, it is important to consider transformation, change, and innovation, which are the elements on which the main

determinants that influence public management and the administration of economic, social, and political systems are based. This book describes the nature of the problem, its multidimensionality, and the need for original approaches, through the contribution of scholars belonging to different disciplines. This book contains nine chapters in a single section (Public Management and Administration), which, through the different approaches to the subject by the authors, help to explain the issues of the public sector.

Needlemouse Feb 01 2020 Time to come out of hibernation... Sylvia Penton has been hibernating for years, it's no wonder she's a little prickly... Sylvia lives alone, dedicating herself to her job at the local university. On weekends, she helps out at a local hedgehog sanctuary because it gives her something to talk about on Mondays - and it makes people think she's nicer than she is. Only Sylvia has a secret: she's been in love with her boss, Professor Lomax, for over a decade now, and she's sure he's just waiting for the right time to leave his wife. Meanwhile she stores every crumb of his affection and covertly makes trouble for anyone she feels gets in his way. But when a bright new PhD candidate catches the Professor's eye, Sylvia's dreams of the fairy tale ending she has craved for so long, are soon in tatters, driving her to increasingly desperate measures and an uncertain future. Sylvia might have been sleep walking through her life but things are about to change now she's woken up... A quirky, charming uplifting novel perfect for fans of Gail Honeyman's *Eleanor Oliphant is Completely Fine* and Sarah Haywood's *The Cactus*. The feelgood bestseller about unrequited love, loneliness and the redemptive qualities of hedgehogs featuring the most unlikely heroine of 2019. _____ WHAT READERS ARE SAYING 'An eccentrically heartwarming tale of stepping out of your comfort zone. I was rooting for Sylvia' - Lottie, Netgalley 'I was charmed by this tale. A feel-good book' - Heather, Netgalley 'A lovely story with delightful characters. Would highly recommend, especially if you are a fan of Ruth Hogan and Gail Honeyman' - Mary, Netgalley 'An absolutely superb novel about someone who is dissatisfied with her life but feels it's difficult to change. I would highly recommend to anyone who likes a quirky novel to entertain them' - Sue, Netgalley 'Oh how I adored this book which is reminiscent of *Eleanor Oliphant is Completely Fine*' - Justine, Netgalley 'I like a book that makes me feel uplifted, that soothes the soul, and this book certainly did that. Sylvia is definitely one of my favourite fictional characters' - Joanne, Netgalley

La fede tra estetica etica ed estatica Feb 12 2021 Il presente lavoro intende contribuire all'elaborazione di una nozione teologica di fede articolata attorno ai profili estetico, etico ed estatico dell'esperienza. Chiave strategica di accesso alla dinamica dei due autori indagati, F. Schiller e K.W.F. Solger. Si tratta di una categoria alquanto pregnante - eppur di scarso impiego nella teologia anche recente - che ha valenza non solo estetica, ma anche antropologica (l'esperienza della libertà a fronte di un destino avverso), ontologica (sublime infinito nel finito) e teologica (sporgersi trascendente dell'uomo verso Dio quanto per l'irruzione di Dio). Innestandosi su un convalidato filone di ricerca teologica - quello che indaga la conformità di esperienza estetica e teologica - e avvalendosi di un celebre patrocinatore - H.U. Von Balthasar - il percorso dello studio sfocia nella ingiunzione a recuperare anche teologicamente un discorso estetico connessa l'esperienza del tragico. Ma, anche e soprattutto, di una concezione di sublime quale istanza di raccordo e transizione tra l'esperienza estetica, etica ed estatica. Il sublime si lascerebbe infatti cogliere quale 'attestazione estetico-etica del teologico' e si offrirebbe con ciò quale singolare forma di evidenza, originariamente storico-pratica, della verità ultimamente teologica.

Pugio-gladius Brevis Est Mar 16 2021 "This study examines in depth the pugio (pl. pugiones), a short daggersword and one of the weapons of choice of the Roman army -- it was the weapon that killed Julius Caesar. Its rich decoration and the use of precious metals have given it legendary status, which has been enhanced by a scarcity of literary sources and the lack of a clear explanation of its function or the specific use soldiers made of it. This work tries to fill this gap, basing its finds exclusively on undisputed data and sources. This study of the pugio takes us through the history and evolution of the Roman army itself"--Publisher's web site.

Stardom in Cinema, Television and the Web Dec 01 2019 In the last 50 years, the social importance of stars has steadily grown, to the point that stars have now become key role models who strongly influence people's behaviours. This book considers the connections between the three main media (cinema, television and the web) and each of the three phases into which the history of stardom can be divided. The first phase can largely be credited with the creation and codification of contemporary stardom, while the second is linked to the spread of television, which weakened the Hollywood stardom model and gradually transformed the figure of the star, making it more intimate and familiar. In the last of these phases, we have many 'outsiders' (personalities from a variety of professional domains and experiences) who are able to achieve considerable social visibility thanks to their skilful use of the web.

Letteratura italiana. Il Quattrocento. Umanesimo e Rinascimento May 30 2022 La letteratura italiana secolo per secolo: un panorama completo della civiltà letteraria d'Italia in una serie di ebook di taglio omogeneo che insieme formano un originale compendio storico. A Promised Land Oct 30 2019 THE #1 SUNDAY TIMES BESTSELLER A riveting, deeply personal account of history in the making-from the president who inspired us to believe in the power of democracy - and the perfect gift this Christmas! 'Gorgeously written, humorous, compelling, life affirming' Justin Webb, Mail on Sunday In the stirring, highly anticipated first volume of his presidential memoirs, Barack Obama tells the story of his improbable odyssey from young man searching for his identity to leader of the free world, describing in strikingly personal detail both his political education and the landmark moments of the first term of his historic presidency-a time of dramatic transformation and turmoil. Obama takes readers on a compelling journey from his earliest political aspirations to the pivotal Iowa caucus victory that demonstrated the power of grassroots activism to the watershed night of November 4, 2008, when he was elected 44th president of the United States, becoming the first African American to hold the nation's highest office. Reflecting on the presidency, he offers a unique and thoughtful exploration of both the awesome reach and the limits of presidential power, as well as singular insights into the dynamics of U.S. partisan politics and international diplomacy. Obama brings readers inside the Oval Office and the White House Situation Room, and to Moscow, Cairo, Beijing, and points beyond. We are privy to his thoughts as he assembles his cabinet, wrestles with a global financial crisis, takes the measure of Vladimir Putin, overcomes seemingly insurmountable odds to secure passage of the Affordable Care Act, clashes with generals about U.S. strategy in Afghanistan, tackles Wall Street reform, responds to the devastating Deepwater Horizon blowout, and authorizes Operation Neptune's Spear, which leads to the death of Osama bin Laden. *A Promised Land* is extraordinarily intimate and introspective-the story of one man's bet with history, the faith of a community organizer tested on the world stage. Obama is candid about the balancing act of running for office as a Black American, bearing the expectations of a generation buoyed by messages of "hope and change," and meeting the moral challenges of high-stakes decision-making. He is frank about the forces that opposed him at home and abroad, open about how living in the White House affected his wife and daughters, and unafraid to reveal self-doubt and disappointment. Yet he never wavers from his belief that inside the great, ongoing American experiment, progress is always possible. This beautifully written and powerful

book captures Barack Obama's conviction that democracy is not a gift from on high but something founded on empathy and common understanding and built together, day by day. 'What is unexpected in A Promised Land is the former president's candour' David Olusoga, Observer

The Number Bias Apr 28 2022 NOW WITH NEW PROLOGUE ABOUT DEMYSTIFYING

CORONAVIRUS NUMBERS, DONALD TRUMP AND WHY STATISTICS MATTER MORE THAN EVER

'The Number Bias combines vivid storytelling with authoritative analysis to deliver a warning about the way numbers can lead us astray - if we let them.' TIM HARFORD Even if you don't consider yourself a numbers person, you are a numbers person. The time has come to put numbers in their place. Not high up on a pedestal, or out on the curb, but right where they belong: beside words. It is not an overstatement to say that numbers dictate the way we live our lives. They tell us how we're doing at school, how much we weigh, who might win an election and whether the economy is booming. But numbers aren't as objective as they may seem; behind every number is a story. Yet politicians, businesses and the media often forget this - or use it for their own gain. Sanne Blauw travels the world to unpick our relationship with numbers and demystify our misguided allegiance, from Florence Nightingale using statistics to petition for better conditions during the Crimean War to the manipulation of numbers by the American tobacco industry and the ambiguous figures peddled during the EU referendum. Taking us from the everyday numbers that govern our health and wellbeing to the statistics used to wield enormous power and influence, *The Number Bias* counsels us to think more wisely. 'A beautifully accessible exploration of how numbers shape our lives, and the importance of accurately interpreting the statistics we are fed.' ANGELA SAINI, author of *Superior*

Atletica. Storia e regole Jan 26 2022 Regina delle discipline olimpiche, l'atletica ha le sue lontane origini nella Grecia classica, nelle gare disputate in occasione delle feste religiose organizzate nella polis. Rinasce in Gran Bretagna nei primi trent'anni dell'Ottocento nei college universitari per trovare la sua definitiva consacrazione a fine secolo nel revival moderno dei giochi olimpici. Oggi è una delle discipline sportive più spettacolari, quella che più esalta la prestazione individuale e la sfida umana al superamento del limite, quella che regala le emozioni più pure e intense. Questa agile guida ricostruisce l'evoluzione storica e tecnico-agonistica della disciplina, ne illustra l'organizzazione, le principali manifestazioni, le regole di gara, gli impianti e le attrezzature, offrendo un quadro completo di tutte le specialità che ne fanno parte: la marcia, la corsa, il salto (in lungo, triplo, in alto, con l'asta), il lancio (disco, giavellotto, martello, peso), le prove multiple (eptathlon, decathlon).

Dear Data Jun 06 2020 Equal parts mail art, data visualization, and affectionate correspondence, *Dear Data* celebrates "the infinitesimal, incomplete, imperfect, yet exquisitely human details of life," in the words of Maria Popova (*Brain Pickings*), who introduces this charming and graphically powerful book. For one year, Giorgia Lupi, an Italian living in New York, and Stefanie Posavec, an American in London, mapped the particulars of their daily lives as a series of hand-drawn postcards they exchanged via mail weekly—small portraits as full of emotion as they are data, both mundane and magical. *Dear Data* reproduces in pinpoint detail the full year's set of cards, front and back, providing a remarkable portrait of two artists connected by their attention to the details of their lives—including complaints, distractions, phone addictions, physical contact, and desires. These details illuminate the lives of two remarkable young women and also inspire us to map our own lives, including specific suggestions on what data to draw and how. A captivating and unique book for designers, artists, correspondents, friends, and lovers everywhere.

DC Horror Presents: Soul Plumber (2021-) #5 May 06 2020 The arrival of the Els by spaceship 19 years earlier was a pivotal moment for the kingdom, and a prophecy was born! But what were those early years like for the Els, and how did they come to be monarchs of the kingdom? And what catastrophic event triggered everything that was to follow?

Dizionario di metrica e retorica Oct 03 2022 In un repertorio di facile consultazione, tutti i termini tecnici e le nozioni basilari della metrica classica e italiana e della retorica: piedi, versi (trimetro giambico, esametro, alessandrino, settenario, endecasillabo ecc.), strofe (distico, terzina, quartina, sestina, settima rima, ottava ecc.), tipi di composizione (canzone, sestina, ballata, madrigale, sonetto, ode ecc.), figure retoriche (allegoria, metafora, metonimia, sineddoche, iperbole, preterizione ecc.). Le definizioni sono corredate da esempi e da schemi e, nel caso delle composizioni poetiche, da ampie sintesi storiche che ne delineano l'evoluzione attraverso i secoli e nei diversi contesti linguistici e culturali. Uno strumento indispensabile per accostarsi al testo letterario e poetico e comprenderne la struttura e le valenze espressive e stilistiche.

Hitchcock Jun 26 2019 Based on the famous series of dialogues between Francois Truffaut and Alfred Hitchcock from the 1960s, the book moves chronologically through Hitchcock's films to discuss his career, techniques, and effects he achieved. It changed the way Hitchcock was perceived, as a popular director of suspense films - such as Psycho and The Birds - and revealed to moviegoers and critics, the depth of Hitchcock's perception and his mastery of the art form. As a result of the changed perceptions about Hitchcock, his masterpiece, Vertigo, hit the No 1 slot in Sight & Sound's recent poll of film-makers and critics, displacing Citizen Kane as the Best Film of all time.

At the Wolf's Table Jan 02 2020 The international bestseller based on a haunting true story that raises provocative questions about complicity, guilt, and survival. They called it the Wolfsschanze, the Wolf's Lair. "Wolf" was his nickname. As hapless as Little Red Riding Hood, I had ended up in his belly. A legion of hunters was out looking for him, and to get him in their grips they would gladly slay me as well. Germany, 1943: Twenty-six-year-old Rosa Sauer's parents are gone, and her husband Gregor is far away, fighting on the front lines of World War II. Impoverished and alone, she makes the fateful decision to leave war-torn Berlin to live with her in-laws in the countryside, thinking she'll find refuge there. But one morning, the SS come to tell her she has been conscripted to be one of Hitler's tasters: three times a day, she and nine other women go to his secret headquarters, the Wolf's Lair, to eat his meals before he does. Forced to eat what might kill them, the tasters begin to divide into The Fanatics, those loyal to Hitler, and the women like Rosa who insist they aren't Nazis, even as they risk their lives every day for Hitler's. As secrets and resentments grow, this unlikely sisterhood reaches its own dramatic climax, as everyone begins to wonder if they are on the wrong side of history.

Math Without Numbers Jul 28 2019 'The whizz-kid making maths supercool. . . A brilliant book that takes everything we know (and fear) about maths out of the equation - starting with numbers' The Times 'A cheerful, chatty, and charming trip through the world of mathematics. . . Everyone should read this delightful book' Ian Stewart, author of Do Dice Play God? The only numbers in this book are the page numbers. The three main branches of abstract math - topology, analysis, and algebra - turn out to be surprisingly easy to grasp. Or at least, they are when our guide is a math prodigy. With forthright wit and warm charm, Milo Beckman upends the conventional approach to mathematics, inviting us to think creatively about shape and dimension, the infinite and the infinitesimal, symmetries, proofs, and all how all these concepts fit together. Why is there a million dollar prize for counting shapes? Is anything bigger than infinity? And how is the 'truth' of mathematics actually decided? A vivid and wholly original guide to the math that makes the world tick and the planets revolve, Math Without Numbers makes human and understandable the elevated and hypothetical, allowing us to clearly see abstract math for what it is: bizarre, beautiful, and head-scratchingly wonderful.

Chaucer and Italian Culture Oct 11 2020 Chaucerian scholarship has long been intrigued by the nature and consequences of Chaucer's exposure to Italian culture during his professional visits to Italy in the 1370s. In this volume, leading scholars take a new and more holistic view of Chaucer's

engagement with Italian cultural practice, moving beyond the traditional 'sources and analogues' approach to reveal the varied strands of Italian literature, art, politics and intellectual life that permeate Chaucer's work. Each chapter examines from different angles links between Chaucerian texts and Italian intellectual models, including poetics, chorography, visual art, classicism, diplomacy and prophecy. Echoes of Petrarch, Dante and Boccaccio reverberate throughout the book, across a rich and diverse landscape of Italian cultural legacies. Together, the chapters cover a wide range of theory and reference, while sharing a united understanding of the rich impact of Italian culture on Chaucer's narrative art.

Nuoto. Storia e regole Mar 28 2022 Insieme con l'atletica, il nuoto è una delle discipline cardine dei Giochi olimpici moderni, del cui programma fa parte sin dall'edizione inaugurale di Atene 1896. Ai suoi albori, questo sport è praticato in acque aperte e la sfida più affascinante e pericolosa è rappresentata dall'attraversamento della Manica: tanti tentano la sorte con esito negativo e spesso tragico. Il primo a riuscire nell'impresa è Matthew Webb, che nel 1875 compie la traversata in 21 ore e 45 minuti nuotando sempre a rana: per tenersi sveglio parla e canta rivolgendosi alla sua barca di appoggio, facendo frequenti soste per mangiare carne e bere birra. Solo agli inizi del Novecento il nuoto si trasferisce in piscina e vengono codificati i vari stili. In questa guida, ricca di dati e notizie sulla storia di questo sport, la sua organizzazione agonistica, i suoi campioni, oltre al nuoto, vengono illustrate anche altre discipline acquatiche, individuali e di squadra: il nuoto sincronizzato, i tuffi, la pallanuoto.

DRAMA THERAPY Apr 04 2020 Emerging from the first degree-granting program in drama therapy, this text is the first to examine drama therapy as a discipline. It deals not with drama in therapy but with drama therapy itself, documenting its legitimacy as a distinct field. After reviewing its dramatic and psychotherapeutic context, the author examines the conceptual basis of drama therapy, tracing its interdisciplinary sources and delineating important concepts from related fields. A theoretical model of drama therapy is offered, based on the source material. The most widely practiced techniques of drama therapy are examined, including psychodramatic practices and projective techniques. The author also focuses on appropriate populations and settings: the emotionally, physically, socially, and developmentally disabled in schools, clinics, hospitals, prisons, and other environments. Special attention is directed to therapeutic theatre performances. The text concludes with reports of research, past, present, and future, and offers observations based upon the significant role drama therapy can play in fostering balance within individuals and among peoples.

The Women in Black Apr 16 2021 "The book I most often give as a gift to cheer people up." —Hilary Mantel "A deceptively smart comic gem." -The New York Times Book Review "Witty and delicious." -People The women in black, so named for the black frocks they wear while working at Goode's department store, are busy selling ladies' dresses during the holiday rush. But they somehow find time to pursue other goals... Patty, in her mid-thirties, has been working at Goode's for years. Her husband, Frank, eats a steak for dinner every night, watches a few minutes of TV, and then turns in. Patty yearns for a baby, but Frank is always too tired for that kind of thing. Sweet, unlucky Fay wants to settle down with a nice man, but somehow nice men don't see her as marriage material. Glamorous Magda runs the high-end gowns department. A Slovenian émigré, Magda is cultured and continental and hopes to open her own boutique one day. Lisa, a clever and shy teenager, takes a job at Goode's during her school break. Lisa wants to go to university and dreams of becoming a poet, but her father objects to both notions. By the time the last marked-down dress is sold, all of their lives will be forever changed. A pitch-perfect comedy of manners set during a pivotal era, and perfect for fans of *The Marvelous Mrs. Maisel*, *The Women in Black* conjures the energy of a city on the cusp of change and is a testament to the timeless importance of female friendship.

Letteratura italiana. Dalle origini al Trecento. Dynamic Products Feb 24 2022 This book explores how dynamic changes in products' sensory features can be used to convey information to the user in an effective and engaging way. The aim is to supply the reader with a clear understanding of an important emerging area of research and practice in product design, referred to as dynamic products, which is opening up new possibilities for the integration of product design with digital and smart technologies and offering an alternative to the use of digital interfaces. Dynamic products are artifacts displaying sensory characteristics - visual, tactile, auditory, or olfactory - that change in a proactive and reversible way over time, addressing one or more of the user's senses. The reader will learn why and how to communicate by means of such dynamic products. Their potential advantages and limitations are identified and design tools are proposed to support the design activity. It is hoped that the book will stimulate the design community to reflect upon the ever more compelling need to merge the virtual and the material in the information society by exploiting technological possibilities in order to create more meaningful and involving experiences.

I'll Take Care of You Nov 11 2020 Warm, vibrant illustrations combine with the steady reassurance "I'll take care of you" to introduce children to the cycles of nature and the gift of nurturing. A helpless, tiny seed finds itself lost in the world, but with care from the Sky, Earth, and Sun it grows up to be a beautiful apple tree. When the tree meets a bird in need of help, it offers its branches as shelter and shows little readers the magic of being cared for and taking care. This comforting tale celebrates the harmonious relationship between birds and trees, reveals the quiet wonder of our ecosystems, and helps little readers appreciate the care they receive from their family and friends every day. In return, children will learn that they can care for others too and cultivate empathy and kindness. With brightly beautiful illustrations and a timely message of love and community, *I'll Take Care of You* offers families a go-to soothing story for bedtime and tough days.

[Fra Angelico](#) Aug 09 2020 The cloister of San Marco was the home of one of the greatest Renaissance painters, Fra Angelico. Between 1440 and 1452, he and his assistants covered the entire complex with over 50 frescoes, designed within the traditions of the Dominican order. '
