How to Get Your Share of the 30-Plus Billion Dollars Being Offered by U. S. Foundations May 18 2021 Currently, there are over 65,000 foundations in the United States. One of the largest is the Bill & Melinda Gates Foundation, which has approximately \$22 billion in assets and paid out an estimated \$2.8 billion in grants in 2008. The Rockefeller Foundation gave \$2.2 million to help fund the rebuilding of New Orleans and committed an additional \$70 million to build the resistance of communities vulnerable to climate change. The Ben & Jerry's Foundation, the Tiger Woods Foundation, and the Ford Foundation are other foundations that provide funds to those in need. This book details the different types of foundations and how to identify a foundation to fund your project. You will learn how to qualify for grants, locate foundations in your subject and geographic area, and how to fill out a grant application. This book will also explain how to create an effective proposal by walking you through each section, including the cover letter, table of contents, executive summary, and statement of need, as well as your project's goals and objectives, specific and measurable outcomes, evaluation, budget, and sustainability. You will even learn how to write letters of inquiry that will grab and keep the readers' attention. The book is filled with valuable information for organisations seeking funding from foundations. There are also insightful interviews with foundation officers and grant recipients, as well as sample proposals, letters, worksheets, and checklists. By using these tools and following the advice in this comprehensive guide, you will be able to find funding and achieve your organisation's goals.

Speak Up! Mar 16 2021 Middle school is a tough time for nearly everyone, but it can be especially hard on girls. Between social and cultural pressures, academic challenges, family dynamics, changing hormones, and a growing awareness of the world around them, middle school girls often end up feeling voiceless and powerless. They can struggle with speaking in class, standing up for their beliefs, navigating complicated social situations, and generally letting their voices be heard. **Speak Up!** confronts these issues head on. In a relatable, frank tone, **Speak Up!** lets young girls know that what they have to say is important and that their thoughts are worth hearing. By presenting real issues and scenarios that girls will recognize from their own day-to-day lives, as well as exploring the negative thoughts and feelings that can hold them back, **Speak Up!** will supply girls with the tools they need to understand their feelings and speak up in any situation. Interactive exercises, lists, real-life examples, and attractive graphics will keep the readers engaged from start to finish. More than a book about self-esteem, **Speak Up!** addresses the cultural factors that hold girls back, and features real strategies to enable them in finding, and using, their voices.

You're Not Crazy - You're Codependent Dec 01 2019 If your life has been affected by addiction (yours or someone else's), abuse, trauma or toxic shaming, you may also be struggling with another invisible problem - codependency. Without your even being aware of the connection to the above issues, it has created additional life-long challenges such as endless guilt, anxiety, perfectionism, need to control, depression, a history of dysfunctional relationships and much more. This easy to understand, interactive book will reveal how codependency has sabotaged you, the lies it created in your beliefs and the truths that expose them. Also included is a Guide to Recovery using simple acts of mindfulness to overcome harmful habits in your thinking, actions and choices that are keeping you from having peace. Once you understand you are not crazy, just coping with the deep-seated effects of codependency, you will be free to create the life you were always meant to have.

Get Wise to Your Advisor Nov 11 2020 The financial services world is changing. Technology is enabling an automated approach to investing that should bring down the cost of commodity services. No longer do you have to fund the lifestyle of a broker or advisor to have him tell you how to diversify or where to find the next investment that cannot be missed. This book will provide the tools for calculators that tell you most of what you need to know; from how much insurance you need to have to how you should diversify. The book will help readers with the following: Understand what you have Plan your long-term goals Start to save (maximizing your 401k) Reduce debt Run your Monte Carlo Simulation Determine the appropriate asset allocation Set up your auto-rebalancing and periodically (annually, perhaps) re-examining your asset allocation to account for globalization Deploy the asset mix through low cost, tax-efficient strategies Look at it once per year This book will provide a better understanding of your investment decisions. But, we all cannot be do-it-yourselfers. Advisors serve as an important resource for consumers when they are both capable and understand their duty to serve you, the customer, first. To complement their moral station, they must have the skills to deliver appropriate advice. The book, much like the company Steve founded, will simplify standards for consumers and audit advisors to those standards.

How to Have Incredible Conversations with Your Child May 30 2022 You: "How was your day?" Your child: "Fine." As a parent, you want to know what is going on in your child's life, how school and friendships are going, if they're feeling okay. As a kid you want to tell your parent what's going on, but it can be hard to find the words. This book is brilliant because it makes finding those words easy, and you discover incredible stuff about each other. How exactly do you make it happen? This accessible guide answers the million-dollar question by steering you, step by step through carefully supported and structured conversational platforms that encourage connection and strengthen relationship bonds. Written by two top clinical psychologists who have worked with families over many years they have, uniquely, designed it for you to read and experience, together. Inside this book you will find a range of fun, illustrated child-friendly conversation activities, organised around four key themes: who are you? how are you? what helps? what gets in the way? There is powerful evidence that building good parent-child communication skills improves emotional wellbeing, physical health, academic and employment success. It helps set up a trusting relationship so you can navigate adolescence and later life successfully. It's important to start early because it takes time to learn skills.

Plan B: 5 Differences That Make a Difference in Your Small/Home Business Feb 12 2021 Plan B: 5 Differences That Make a Difference in Your Home Business You cant ask for what you want unless you know what it is. A lot of people dont know what they want, or they want much less than they deserve. First you have to figure out what you want. Second, you have to decide that you deserve it. Third, you have to believe you can get it. And, fourth, you have to have the guts to ask for it. Barbara de Angelis Having a Plan B to protect yourself, while providing more overall security in your life, is critical in times of change and uncertainty. The objective of this chapter is to explore a shift in thinking and action, moving away from being stuck in a full-time job and a part-time life to having a full-time life and a part-time jobliving life on your own terms. Having a Plan B fundamentally means having your own home-based business to generate cash flow. In the e-book titled Plan B, I share with you what has worked for me, putting the lessons learned along my journey of trial and error into a clear format that you can use to create your own Plan B. Each chapter targets a particular area in which positive changes must be made: 1. The Differences That Make a Difference helps you to identify the key risk and reward activities responsible for creating multiple, exponential resultsnot just incremental gains. 2. Success vs. Struggle explores your mind-set and examines what subconscious thought patterns may have created obstacles for you in achieving your goals. 3. Focus and Flow moves you through a succession of concepts, each one building on the previous one to create a stronger foundation. 4. Aligning Opportunities and Goals takes these two elements, which are often considered separately, and integrates them to help you achieve better results. 5. Action Steps for Geometric Gains provides hands-on exercises to propel you toward your goal and dreams. It examines your daily method of operation, income-producing activities, and sales and marketing plan. The benefits of a home-based business are undeniable for those who choose this course. They include flexible working hours, no commuting hassles, more personal or family time, and the likelihood of financial freedom, which all fulfill living life with passion. However, for those caught up in working-hard routines and not manifesting their truly desired results, the entrepreneurial dream of self-actualization can quickly vanish. In the face of these challenges, its easy to retreat into your comfort zone while grabbing hold of excuses such as the economy is bad or maybe next month or next year. But remember that though you could retreat into your comfort zone because it feels more secure and familiar, doing so is ultimately unfulfilling and stressful (and sometimes boring). Hard work is not the only important ingredient to creating your success. Whether in your career or in your own business, knowing and applying the Plan B strategies will enable you to realize better lifelong resultsif you give yourself permission to do so. Ive worked with many entrepreneurs and have faced the challenges of self-employment myself. As Ive watched people struggle, a number of key questions came up over and over: Why do they work such long hours every day, every week, without gaining results? Why do they repeatedly attend workshops without achieving their true goals? Why do they get fired up applying what they have learned only to attain the same unsatisfactory results? The answers to these mysteries lie in the mind. Your mind is the most powerful tool at your disposal. Some call it your blueprint. Subconscious thought patterns and beliefs can sabotage your best conscious efforts toward success. Its what happens on the inside that determines what happens on the outside, and grasping this truth is
