[Sticker Encyclopedia Baby Animals](#) Oct 28 2019 A fantastic selection of facts and, of course, lots and lots of stickers, to keep children entertained for hours. Meet a huge range of baby animals, from favourite creatures to animals you might not have heard of before! Learn about the different animal types - mammals, birds, reptiles, amphibians, fish, and invertebrates. Discover their habitats and learn how they feed, grow, and play. Children will love searching for the right stickers for each page, and fun scenes allow them to use their creativity to add stickers freely. Fun facts mean kids learn as they go, too. For example, did you know that a newborn ferret is so small that it can fit on a teaspoon? Or that when baby dolphins play, they do somersaults in the air? A huge range of animals are featured, including top trending animals such as quokkas, sloths, and hedgehogs. With more than 600 stickers, children will have plenty of creatures to choose to use in the book but to stick elsewhere too. Some of the baby animals in this book are fluffy and some are scaly; some of them live in the sea and some in the desert; but one thing they have in common is that they are all adorable!

**Why Some Animals Eat Their Young** Feb 10 2021 A contemporary Erma Bombeck extols the highs and lows of parenting When Dallas Louis decided that all she wanted in life was to meet and marry her Prince Charming and become a mother, she had no idea what was in store for her. But she would soon find out. After only seven months of dating, she married the love of her life, and within the course of twenty-six months, she gave birth to three children. Her husband knew her longer pregnant than not pregnant! In this hilarious book, Dallas shares highlights of what happened in her world once she and her husband, Jeff, brought home three kids in a time span that was barely long enough to build a house, let alone long enough to build three humans. She would like readers to find comfort in knowing that they aren't the only ones suffering from post-traumatic stress syndrome or buyer's remorse. And, yes, it's okay to admit that both of those conditions apply to parenting, though hopefully not all the time. Channeling Erma Bombeck, Dallas will tell you all the things your friends will not and the things the other books are too afraid to print. With her irreverent humor and brash "tell it like it is" style, she'll help you laugh at everyday situations, easing the pressure of the toughest job in the world: being a mom.

**My First Book of Funny Animals (National Wildlife Federation)** Jul 06 2020 Featuring spectacular images straight from the vaults of the National Wildlife Federation, these should be the very first books to introduce children to animals from around the world. Every photo shows these creatures in their natural habitats. Each book in the series carries the logo and name of the National Wildlife Federation. These

are not just board books, but the first books that any toddler will love and adults will enjoy reading. Each full page spread is a story by itself. See the lions arguing but the walrus can't bear to watch. The baby sea lion wants to play and the orangutan wants to play too. The chipmunk tells the polar bear to stop, and the polar bear does. Fantastic photos of wildlife combined with funny comments to make these a new kind of board book.

**My First Book of Baby Animals (National Wildlife Federation)** Oct 21 2021 A sweet tiger cub, padding softly on its paws across the ground. A little lion getting its head nuzzled by mama as they soak in the sun. Two young kangaroos—joeys—at play. An infant chimpanzee, clinging lovingly to its mother's back. Nothing's more irresistible than an animal baby, and with these magnificent photos, kids can meet the cutest ones of all, and their families, too. From two fox kits climbing on logs, to an adorable baby bunny, to a trio of polar bears huddling close to stay warm, to penguins, polar bears, eaglets, and foals, these precious creatures will fascinate human "cubs"—and entice them to look at the pictures over and over again.
