[Messages from the Universe](#) Oct 27 2019 Bestselling author and world-renowned psychic medium Craig Hamilton-Parker explores the secrets of the lost oracle of India In this book I reveal the secrets of the Indian Naadi Oracle that tells me that new spiritual knowledge will be revealed to me by the gods-which I initially interpreted as my mediumship-and from studying the Naadis, learning astrology, and knowledge given directly by meeting living rishis. I share with you my work as a medium and how, together with my wife Jane, we took on the media. Together, we will travel to mystical places, share colorful adventures, meet some extraordinary enlightened people and join our relentless search for universal knowledge. My task, I am told by the oracle, is to bring the message to the people. The oracle went into extraordinary personal detail about my life and my past before revealing the core messages as to why I am here-the question I had asked Sathya Sai Baba to answer. Messages from the Universe - Seeking the Secrets of Destiny World famous psychic medium Craig Hamilton-Parker is also a yogi who has traveled India, met enlightened gurus and consulted the true custodians of the secret Naadi Oracle. When some of these 5,000 year old manuscripts were translated they mentioned Craig by name, gave his birth-date and gave the correct names of his wife, ex-wife, his mother and father. They told the story of his life and knew highly personal information and facts about Craig that proved that the oracle was genuine. The oracle also told of Craig's past incarnation in India, his present life as a psychic medium and about his future. They also reveal many things about the future of the world that even Nostradamus didn't know and tell of massive environmental troubles followed by a Golden Age. When Craig's Indian guru Sathya Sai Baba appeared to him in a dream and asked "Why are you here?" it triggered a whole series of incredible events and discoveries that helped Craig to realize the purpose of his life and to share the secrets of Indian mysticism and astrology with the world. The book uses the Naadi oracle as a framework to tell the story of Craig and his wife Jane's work as psychic mediums. You will read about their time on TV and their mystic journey that starts at Beverly Hills and takes you to mysterious holy places to unlock the secrets. Craig and Jane give unprecedented proof of life after death and talk to the ghost of Princess Diana and give highly evidential spirit messages to film stars.
