Finding God in the Waves Aug 20 2021 'Through the lens of neuroscience, McHargue makes his case for valuing religion not for its factual explanatory power but rather for its ability to give meaning to human existence . . . For those who fear science will rob them of both God and Christian community, this work may offer much-needed hope that Christianity and science can coexist.' -Publishers Weekly 'I thoroughly recommend this book. It is written with humility, honesty and a liberal sprinkling of humour . . . not only thought-provoking, but also a jolly good read . . . A review does not do it justice, so I suggest you read the book!' - Methodist Recorder What do you do when God dies? It's a question facing millions today, as science reveals a universe that's self-creating, western culture departs from its Christian heritage and the idea of God begins to seem implausible at best and barbaric at worst. Mike McHargue understands the pain of unravelling belief. In *Finding God in the Waves*, Mike tells the story of how his evangelical faith dissolved into atheism as he studied the Bible, a crisis that threatened his identity, his friendships and even his marriage. Years later, Mike was standing on the shores of the Pacific Ocean when a bewildering, seemingly mystical moment motivated him to take another look. But this time, it wasn't theology or scripture that led him back to God - it was science. In *Finding God in the Waves*, 'Science Mike' draws on his personal experience to tell the unlikely story of how science led him back to faith. Among other revelations, we learn what brain scans reveal about what happens when we pray; how fundamentalism affects the psyche; and how God is revealed not only in scripture, but in the night sky, in subatomic particles, and in us. For the faithful and sceptic alike, *Finding God in the Waves* is a powerful, page-turning read about belonging, life's biggest questions, and the hope of knowing God in an age of science.

My Faith, My Life, Revised Edition Jul 31 2022 This revised edition now includes end-of-chapter questions for the readers as well as updated material sprinkled throughout. The Five Marks of Mission and what it means to be a disciple of Christ will be a focus of this updated version, which also models student-centered learning as opposed to teacher-driven instruction. For teen study and confirmation

preparation, this book can serve as a curriculum for helping teens discover Scripture, church history, sacraments, the meaning and practice of prayer, and what ministry means in the lives of real teens today. A framework for small-group gatherings for each chapter is included as a new section in the back of the book.

My Faith, My Shield May 05 2020 We all battle something at one point in time or another. Some of us are aware of the wars raging within us. Fighting our inner battles can help us to be who we are truly meant to be. As a teenager, I was medically diagnosed with Anorexia Nervosa. After years of proper medical care and being determined to do the hard work to stay in recovery, I can say that I am healed. This is my journey to healing and the fight to stay there. It all began with this: "Draw near to God and He will draw near to you." James 4:8 So if I have been given knowledge in a way that can truly help another on their own healing journey, it is my duty to share it. The battles are fierce, especially when the enemy is seeking to search and destroy. The enemy lays dormant for some time, then strikes again when we least expect it. The enemy is clever and knows the art of war. The enemy is lying in wait for us to fall, but we have a greater power. Are you ready for this battle?

Losing My Religion Oct 10 2020 William Lobdell's journey of faith—and doubt—may be the most compelling spiritual memoir of our time. Lobdell became a born-again Christian in his late 20s when personal problems—including a failed marriage—drove him to his knees in prayer. As a newly minted evangelical, Lobdell—a veteran journalist—noticed that religion wasn't covered well in the mainstream media, and he prayed for the Lord to put him on the religion beat at a major newspaper. In 1998, his prayers were answered when the Los Angeles Times asked him to write about faith. Yet what happened over the next eight years was a roller-coaster of inspiration, confusion, doubt, and soul-searching as his reporting and experiences slowly chipped away at his faith. While reporting on hundreds of stories, he witnessed a disturbing gap between the tenets of various religions and the behaviors of the faithful and their leaders. He investigated religious institutions that acted less ethically than corrupt Wall St. firms. He found few differences between the morals of Christians and atheists. As this evidence piled up, he started to fear that God didn't exist. He explored every doubt, every question—until, finally, his faith collapsed. After the paper agreed to reassign him, he wrote a personal essay in the summer of 2007 that became an international sensation for its honest exploration of doubt. **Losing My Religion** is a book about life's deepest questions that speaks to everyone: Lobdell understands the longings and satisfactions of the faithful, as well as the unrelenting power of doubt. How he faced that power, and wrestled with it, is must reading for people of faith and nonbelievers alike.

Increase Your Faith Aug 08 2020 What would change in your life if you could speak to your mountain and cast it into the sea? Have you ever wondered what Jesus was talking about when he told us we could do this? Have you ever wondered the point of having faith like a mustard seed? Hebrews 11:6 says that without faith it is impossible to please God, yet so many of us have little idea what this means exactly. Jesus said if we had faith as a mustard seed, we could speak to our mountainous problems and cast them into the sea. This book is for you if: -you are struggling to see a healing in your body -you are struggling to see financial breakthrough -you are waiting for a promise from God to come to pass -you need more resilience in the storms and trials of life while waiting on the promises of God **Increase Your Faith** was written to provide you with spiritual guidance and usable insights to help you see the impossible come about in your life, and is the perfect companion to the author's previous book, **Six Lies People Believe About Divine Healing**. Loaded with Scripture, this quick read contains practical tips that you can immediately apply to your personal life, and start casting your mountains into the sea!

Sing Your Faith Jul 07 2020 A collection of 230 hymns, with music, drawn from a

wide range of liberal religious sources, all written in the 20th or 21st century; many were composed by Unitarian and Unitarian Universalist writers, often drawing their imagery from other faith traditions. My Faith - Spiritual Baptist Christian Oct 22 2021 The Spiritual Baptist Faith is the name given to the Christian religious group emerging among the Africans in the 19th century in Trinidad. In 1917 the group was outlawed as "too noisy" and "too African" and therefore uncivilized and unacceptable. This book explores the development and the practices of the faith, its relationship with African religion and with Christianity, and its tenets. (Social Issues)

My Faith So Far Apr 27 2022 In this frank, funny, and often challenging memoir about life in and out of the church, twenty-something Patton Dodd reveals his quest for an authentic experience of God. On his journey he attempts to pinpoint and justify his belief in God, first with the fervent absolutes that characterize a new believer's faith but then with a growing awareness of the cultural complexities that define his faith and encompass his understanding of Christianity. When a spiritual awakening in his last year of high school wrenches Dodd out of his rebellious party days, he embarks on a quest for God. He exchanges pot smoking for worship dancing, gives up MTV for Christian pop, and enrolls at a Christian university. Soon, however, he finds himself ill at ease with the other Christians around him and with the cloying superficiality of the Christian subculture. Dodd

tells his story in contradictory terms—conversion and confusion, acceptance and rejection, spiritual highs and psychological lows. With painstaking honesty, he tries to negotiate a relationship with his faith apart from the cultural trappings that often clothe it. Dodd's moving story paints a nuanced and multilayered portrait of an earnest quest for God: the hunger for genuine faith, the bleak encounters with doubt, and the consuming questions that challenge the intellect and the soul. This is a story that will resonate with the emerging generation of young adults attempting to break new ground within their own faith tradition.

From Medicine to Miracle: How My Faith Overcame Cancer Apr 03 2020 The incredible story of how one doctor won her own personal battle against cancer through the power of prayer.

Living in Love and Faith Jun 05 2020 Issues of gender and sexuality are intrinsic to people's experience: their sense of identity, their lives and the loving relationships that shape and sustain them. The life and mission of the Church of England – and of the worldwide Anglican Communion – are affected by the deep, and sometimes painful, disagreements about these matters, divisions brought into sharper focus because of society's changing perspectives and practices, especially in relation to LGTBI+ people. *Living in Love and Faith* sets out to inspire people to think more deeply both about what it means to be human, and to live in love and faith with one another. It tackles the tough questions and the divisions among Christians about what it means to be holy in a society in which understandings and practices of gender, sexuality and marriage continue to change. Commissioned and led by the Bishops of the Church of England, the *Living in Love and Faith* project has involved many people across the Church and beyond, bringing together a great diversity and depth of expertise, conviction and experience to explore these matters by studying what the Bible, theology, history and the social and biological sciences have to say. After a Foreword from the Archbishops of Canterbury and York, the book opens with an invitation from the Bishops of the Church of England to embark on a learning journey in five parts: Part One sets current questions about human identity, sexuality, relationships and marriage in the context of God's gift of life. Part Two takes a careful and dispassionate look at what is happening in the world with regard to identity, sexuality, relationships and marriage. Part Three explores current Christian thinking and discussions about human identity, sexuality, and marriage. In the light of the good news of Jesus Christ, how do Christians understand and respond to the trends observed in Part Two? Part Four considers what it means for us as individuals and as a church to be Christ-like when it comes to matters of identity, sexuality, relationships and marriage. Part Five invites the reader into a conversation between some of the people who have been involved in writing this book who, having engaged with and written Parts One to Four, nevertheless come to different conclusions. Amid the biblical, theological, historical and scientific exploration, each part includes Encounters with real, contemporary disciples of Christ whose stories raise questions which ask us to discern where God is active in human lives. The book ends with an appeal from the Bishops to join them in a period of discernment and decision-making following the publication of *Living in Love and Faith*. The *Living in Love and Faith* book is accompanied by a range of free digital resources including films, podcasts and an online library, together with *Living in Love and Faith: The Course*, a 5-session course which is designed to help local groups engage with the resources, also published by Church House Publishing.

How's Your Faith? Jan 13 2021 "Join former NBC newsman and Meet the Press moderator

David Gregory as he probes various religious traditions to better understand his own faith and answer life's most important questions: who do we want to be and what do we believe? While David was covering the White House, he had the unusual experience of being asked by President George W. Bush "How's your faith?" David's answer was just emerging. Raised by a Catholic mother and a Jewish dad, he had a strong sense of Jewish cultural and ethnic identity, but no real belief--until his marriage to a Protestant woman of strong faith inspired him to explore his spirituality for himself and his growing family. David's journey has taken him inside Christian mega-churches and into the heart of Orthodox Judaism. He's gone deep into Bible study and asked tough questions of America's most thoughtful religious leaders, including evangelical preacher Joel Osteen and Cardinal Timothy Dolan, the Catholic Archbishop of New York. It has brought him back to his childhood, where belief in God might have helped him through his mother's struggle with alcoholism, and through a difficult period of public scrutiny and his departure from NBC News, which saw his faith tested like never before. David approaches his faith with the curiosity and dedication you would expect from a journalist accustomed to holding politicians and Presidents accountable. But he also comes as a seeker, one just discovering why spiritual journeys are always worthwhile"--

Soul Survivor Jun 25 2019 Disillusioned by the distortions and hypocrisies of the church in which he grew up, Philip Yancey set out in search of a life enhanced by faith instead of diminished by religion. Having struggled to forge personal convictions about God amid the ironies of life and the incongruities of religion, he looks closer at those whose lives radiate spiritual authenticity rather than pious posturing. From Dostoevsky to Martin Luther King, G. K. Chesterton to Paul Brand, Yancey pays homage to some of the most remarkable, selfless, Christ-like lives our world has known, and asks what both he and we can do to find such beautiful faith in our own lives.

O Woman, Great is Your Faith! Aug 27 2019 The concept of "faith" holds a central position in New Testament and early Christian thought, yet this concept has not received the careful attention it deserves in the Synoptic Gospels. The present study offers a comprehensive analysis of "faith" as a key motif in the Gospel of Matthew, where it plays a major role in communicating this Gospel's vision for how readers should respond to the person and message of Jesus. The argument propounded is that Matthew's unique narrative portrayal of the Canaanite woman's faith (15:21-28) is used for pedagogical purposes, namely, that by comparing and contrasting her "great faith" with those characters expressing "no faith" and "little faith," Matthew uses Jesus's quantitative ???-terms to teach on the nature of true faith. She embodies Matthew's theological vision of faith! Even though she is a gentile outsider/enemy, she comprehends the universal scope and abundant blessings of Jesus's mission. Moreover, she acknowledges Jesus's messianic identity, correctly perceiving him to be both David's royal heir and David's Lord. Finally, based on who she perceives Jesus to be and the purpose of his mission, she demonstrates faith as trust manifested in action.

I Am Restored Mar 15 2021 When the challenges you've faced threaten to destroy your life, how do you find your way back to the truths you thought you believed? *I Am Restored* tells the untold story of how Lecrae's past nearly ruined his future--until he learned that the wounds we carry can have the potential to be unlikely guides to healing and freedom for ourselves and others. Throughout *I Am Restored*, Lecrae documents the shattering yet hopeful story of how he faced the scars of his past--sexual abuse, physical trauma, addiction, and depression--and emerged more fully human than ever before. With remarkable transparency and vulnerability, Lecrae reveals that at the height of his professional success, his life was spinning out of control, driven by a past that he had never confronted and a religious perspective that was incapable of meeting the challenge. *I Am Restored* takes an unflinching look at the personal and public spaces that are too often at the societal core of our pain and heartache--culture, politics, family, church, and more--and teaches us that forgiveness can be the birthplace of the life that God has created for us. Throughout this powerful, deeply personal account, Lecrae shares the life lessons he's learned about: Confronting the pain and trauma that has shaped your story Breaking the cycle of sin and shame and embracing joy and authenticity Finding hope and healing in the midst of chaos The simple practices that can change your mental, emotional, and spiritual health Leading a life that's bursting with creativity and true freedom *I Am Restored* is a hopeful, inspiring charge to start your journey to lasting healing today. No matter what your past has held, God is near you, he hears you, and he's not done writing your story.

Kidnapped for My Faith Jan 01 2020

My Faith as an African Sep 28 2019 At a time when Africans, like other peoples, are facing the shock of technological and cultural modernity, liberation of the oppressed must be the primary condition for an authentic inculturation of the Christian message. This is the central axis of the papers in this book, which begins with the questions of faith posed by cultural variables, an internal dimension of the African's condition. In order to understand what is at stake, we need to place these matters in the overall context of a society and a history marked by conflicts-

which lead to a rereading of our African memory. The basic issue of the Credibility of Christianity is being raised from within in the dynamic which allows Africans to escape from the inhumanity of the destiny to which certain factors would condemn them. So critical reflection on the relevance of an African Christianity requires us to identify the structures or strategies of exploitation and impoverishment against which Africans have always struggled, finding their own specific forms of resistance within their cultures.

The Cost of My Faith Mar 27 2022 Why Not Just Make the Cake? That's a question countless people across the country started asking in 2012, when Jack Phillips told two men who walked into his Masterpiece Cakeshop that he couldn't create a custom cake for their same-sex wedding. And the question only grew more urgent as Phillips had to defend himself first before the Colorado Civil Rights Commission and then numerous courts—losing at every step of the way until the U.S. Supreme Court ruled in his favor in June 2018. Why not just make the cake? Submitting would have been less frightening than facing relentless harassment and death threats. It would have been less costly than losing a major portion of his business when the state demanded that he design cakes for same-sex weddings or none at all. And it would have been easier than a decade of fighting for his rights—and his livelihood—in court, a fight he has been forced to continue even after his victory at the Supreme Court. But for Jack Phillips, there are deeper principles at stake—principles too precious to abandon for the sake of convenience and safety. These principles should be of concern to every American, including Jack's adversaries. If the freedoms Jack has sought to protect are lost, they may never be regained. Why not just make the cake? In this inspiring book, Jack answers that question in his own words, hoping his story will inspire and strengthen the many who will encounter challenges, however fearsome, to living out their faith.

My Faith May 29 2022 Explains what it means to be Christian and how to hold onto faith during those difficult middle school years, in a book with information on God's story, the Bible, faith and doubt, and the church.

The Storm That Grew My Faith Nov 30 2019 "The Storm That Grew My Faith" takes you on a roller coaster ride of emotions. The story of this family and Malachi's fight to become a strong healthy boy is an inspiration in Christian faith. The trials and tribulations will truly illustrate the power of God and the importance of faith in your life. As an adopted family member I have witnessed, with my own eyes, the power of God and the importance of a daily walk with Jesus. Before I met the Golden's, I was already saved by God's grace. However, I was not walking the path I knew I needed to be walking. We first met at the funeral of my brother and absolute best friend Billy and we immediately clicked. I have been able to watch little Malachi grow up into a firecracker of a kid and to see how quickly he has come so far is a true testament to the awesome power of God. This book illustrates that, even where you are in the darkest place you've ever been in your life, the light that is your faith in Christ will guide you out of that darkness. Living through this with them and physically seeing the true power of faith has shown me that NOTHING is more important than walking in God's word. Faith WILL bring you out of the darkness and into the light.—Anthony Johnson A story of struggle, pain, trials, and, ultimately, strength. Mr. Golden's experience with his trials gives a shining example of the tribulations and hardships that God tests our faith with. This is a true story of one man's test of faith, and the blessings and miracles that are bestowed to those who believe whole-heartedly. This story should shine as a reminder of God's will, and remind us that, although we may not understand why things are happening, God has a plan for everything. And we should trust in God and allow his will to flow through us. If you do not believe in miracles, I urge you to pick up this book and take to heart the many miracles instilled in its truth.—C. McCann

On Death Jan 31 2020 If life is a journey, there are few events as significant as birth, marriage and death. These are the moments in which we experience our greatest happiness and our deepest grief. And so it is profoundly important to understand these events and their significance in the course of our lives. In a culture that often refuses to acknowledge death, Timothy Keller - brilliant theologian and bestselling author - brings to light the Christian tradition of facing death and celebrating what comes after. With wisdom and compassion, Keller teaches us to understand death through the lessons embedded within the Bible. A short, powerful book, *On Death* gives us the tools to understand the meaning of death within God's vision of life. 'A Christian intellectual who takes on the likes of Nietzsche, Marx, and Freud.' *The Wall Street Journal*
