They both scare and intrigue her, and after one particularly strong dream she heads out to find where these visions are leading her. Her destination turns out to be Greylock Lodge, a supposedly abandoned chalet up in the mountains. Getting there proves to be the hard part, but she's not the only one trying to reach the elusive lodge. A tense crowd waits in a small clearing, and among them is a handsome man by the name of Christopher Dayton. The eyes have called them all there, but they all have their different reasons for coming. The crowd is presented with a challenge by two mysterious figures, people who can change into wolves and back again. Their goal, if they can make it, is to reach Greylock Manor at the far end of the forested valley. Anyone who can't will lose not only the game, but their memories. Maybe even their lives. Alex finds Chris at her side as she sets off into the dark, spooky woods where unknown dangers await them. The 'game' soon gets all too real, but Alex is determined to reach the end, no matter what. Chris is likewise set on winning, but Alex can't help but notice the enticingly heated gazes he sends her way. Mara Reid is thrilled to finally meet the man of her dreams, and the fact that they both want to raise horses in the Sweetwater River valley seems like confirmation straight from God. Fighting her own nightmares after the war, Gretta Michelly is trying to settle into this rugged mountain land, but her bad memories are nothing compared to the demons that haunt her father. The haven they've found in these Rocky Mountains seems to be the solace he needs to find peace—until a mysterious sojourner appears on their cabin doorstep. As Zeche is torn between his craving to protect Gretta and the awful realization that he's the one putting her in more danger, he's forced to make a difficult choice. Even at the cost of his heart. **A Sweetwater River Romance (Book 3)** A Carol Award Finalist Taking flight from their quiet Pennsylvania town seems like the only way for Tori Boyd to protect her dearest cousin's virtue. Ezra Reid has finally stepped out from under the shadow of his older brother and sister, as the success or failure of the Rocky Ridge stage and telegraph contracts falls squarely on his shoulders. He's entirely focused on the work - at least until his mysterious correspondence partner shows up on his doorstep. As Ezra takes on the search for a proper situation for Tori and her cousin, there seem to be no good options for the ladies. Especially since Tori won't even discuss the one option that might succeed - marriage. When the danger chasing the women takes on a form none of them anticipated, how far will Ezra have to go to keep the Tori and her cousin safe? **A Mountain Christmas Romance (Book 4)** Stripped of the family so important to his Viking heritage, Matthias Bjork is now on the hunt for his sister. Opal Boyd has finally found the haven she's longed for all her life, in a most unlikely place—working for a German couple in this remote Wyoming mountain town. She learned long ago that most men couldn't be trusted, but the mountain man boarding with her friends seems to have the respect and affection of the two people she's learned to trust implicitly. When he shares the magical experience of his family's traditional Viking Yule celebration, she can't help but fall a little more in love with him each one of the twelve days of Christmas. But when Matthias' search for his sister takes an unexpected twist, Opal is forced to make a choice that will alter the course of her life—no matter which answer she chooses.

Misty and her guests are feeling zen—at least until the yoga instructor is found dead. The Man in the Mountain: Book 1, Awakening Jul 30 2022 In this richly textured philosophical novel about regaining our highest purpose, Bikram Dhillon writes the story of Yosh, an orphan raised by a beloved grandfather. When his grandfather dies, the young man falls into a dangerous depression, even contemplating suicide, but before doing anything drastic he decides to learn more about a mysterious medallion found in his grandfather's belongings. It is cracked in half and indecipherable, but Yosh suspects it holds clues to his grandfather's life. His investigations lead him to friends of his grandfather who live on a ranch near Santa Fe. He spends time there learning details about his grandfather's remarkable life that he had never known. He discovers that his grandfather's life had been transformed by a philosophy learned from his rancher friends. As Yosh commits himself to studying this philosophy, it begins to wake him from what he had perceived as the nightmare of life. Still eager for wisdom, Yosh seeks out Mideol, the reclusive "man in the mountain" who had enlightened his grandfather's teachers and, he hopes, holds the key to even deeper insights. If fictionalized philosophy were music we would be hearing leitmotifs from Hesse, Camus, Gurdjieff and Castaneda.

In Sight of the Mountain Sep 07 2020 In the devastating aftermath of the 1889 Great Seattle Fire, nineteen-year-old Anna Gallagher faces considerable pressure to marry well and soon. She has two serious suitors: a well-meaning but condescending doctor, and an evasive fisherman who challenges her mind. But Anna has no intention of giving up her freedom to keep house; she has a dream to reach the summit of Mount Rainier. Despite her family's disapproval and her own self-doubt, she secretly trains, raises money for supplies, and buys a train ticket to the base of the mountain. If she succeeds in reaching its icy peak, she could pioneer the way for women mountaineers; but it's a tall task and there's much at risk—including the heart of a man who just might love her as an equal. On the journey, Anna will face glaciers, avalanches, and frozen temperatures, all without knowing if she even has a family or a future to return to. In Sight of the Mountain is a charming coming-of-age story, but it also casts the reader's gaze upon issues of colonialism, class, and women's far-too-narrow options. Highly recommended for Book Clubs! Questions for discussion are included at the end of the book.

Flashman and the Mountain of Light Jan 24 2022 Harry Flashman: the unrepentant bully of Tom Brown's schooldays, now with a Victoria Cross, has three main talents -- horsemanship, facility with foreign languages and fornication. A reluctant military hero, Flashman plays a key part in most of the defining military campaigns of the 19th century, despite trying his utmost to escape them all. With the mighty Sikh Khalsa, the finest army ever seen in Asia, poised to invade India and sweep Britannia's ill-guarded empire into the sea, every able-bodied man was needed to defend the frontier - and one at least had his answer ready when the Call of Duty came: "I'll swim in blood first!" Alas, though, for poor Flashman, there was no avoiding the terrors of secret service in the debauched and intrigue-ridden Court of the Punjab, the attentions of its beautiful nymphomaniac Maharani (not that he minded that, really), the horrors of its torture chambers or the baleful influence of the Mountain of Light.

Mountain Haven (Books 1-3) Aug 19 2021 Infamous Love: When I meet the new sexy veterinarian, his gruff voice and grumpy manner get my blood pumping. Adventurous Love: I don't do small town, country living. The hustle and bustle of New York pumps through my veins. Still, when a dear friend invited me to stand up in her wedding, I decided to embrace all Colorado had to offer. I was expecting mountainous terrain and outdoor adventures. Instead, I found myself face to face with the ruggedly handsome Henry Rigby—a lumberjack fantasy come to life. It was supposed to be a short trip. Yet the time we spent together made New York seem farther and farther away... Impulsive Love: I met the rookie baseball player with piercing blue eyes and a Southern drawl on my first day as a tour guide. Colin Winters was only supposed to be a one-night impulsive indulgence. Instead, the easy connection between us became an addiction. Then, two blue lines change everything...

Among Wolves Jan 12 2021 There's only one place left that's safe. It's the last place you should be. Gabriel remembers the Last Day. He and Mags had been on a tour of the White House with the rest of Miss Kimble's first-graders when it happened. They fled with the President to a long-abandoned bunker, even as the first of the bombs began to fall. Ten years have passed, and now Gabriel is almost grown. He still lives deep inside the mountain, waiting for the world to thaw. But outside the storms continue to rage, and supplies are running low. The President says it will be okay, because they are the Chosen Ones. But Gabriel isn't so sure. Gabriel's their scavenger, and he's seen what it's like out there. Then one day Gabriel finds a bloodstained map. The blood's not a problem, nor are the frozen remains of the person it once belonged to. Gabriel's used to seeing dead bodies. There's far worse to be found in any Walmart or Piggly Wiggly you care to wander into. Except this one he recognizes, and it shouldn't be all the way out here. Now all Gabriel can think is how he's going to make it back to the bunker and let the President know what he's found. But Gabriel's troubles are only just beginning. For things are not as they seem inside the mountain, and soon he will face a much larger problem: how to get Mags and the others out. "I was riveted from page one..." The Cumberland Mountain Trilogy, Volume 1 - The Sheriffs' Murder Cases Nov 09 2020 The Sheriffs' Murder Cases is the initial volume in The Cumberland Mountain Trilogy, a series highlighting life the Kentucky Mountains during the early and middle decades of the 20th Century. Jacob Newton Herald, High Sheriff, or Chief Deputy, of Chinoe County from 1920-45, is the trilogy's central character, and the accounts are in his own words, or as nearly as his granddaughter Jennifer could copy down. Jake, as he was commonly known to friend and foe alike, received a B.A. Degree from Valparaiso University outside Chicago in 1914. He subsequently applied and was admitted to medical school at the University of Louisville. He left that school with a year remaining, in order to fight in the Great War. He emerged from the war a heavily decorated soldier with the battlefield rank of Captain. He returned to his home county in the mountains, where he became involved in law enforcement, serving for a quarter century. In The Sheriffs' Murder Cases, Jake takes the County Sheriff's job for a shockingly immoral purpose and ends up trying to solve a series of puzzling murders. He enlists the aid of family members, deputizes friends and war buddies, and is led down many paths that build suspense and create the dramatic tension that propels the novel to its climax.
