IMF Publications Catalog, Fall/Winter 2018 May 29 2022 This paper focuses on several IMF publications published in the winter of year 2018. Realizing Indonesia's Economic Potential book uncovers some of the forces that are likely to shape Indonesia's economy. It analyses the constraints to growth, propose options to boost economic growth, and explore key issues policymakers will need to handle in the future. **The ASEAN Way: Sustaining Growth and Stability** book provides a comprehensive account of how Association of Southeast Asian Nations, its individual members and as a group, rose above its worst regional financial crisis 20 years ago, to become one of the most resilient in the face of the worst global financial crisis just a decade later. The challenges faced and the policy responses taken, chronicled and analyzed in this study, can hopefully provide further lessons as we face a new global policy paradigm. It is a must-read for academics, the financial community, and policymakers alike.

IMF Publications Catalog, Spring 2018 Dec 24 2021 This paper explains the IMF eLibrary simplifies analysis and research with online access to the IMF's periodicals, books, working papers and studies, and data and statistical tools. This full collection contains material dating back to 1946. It is a vital source of information for researchers, professionals, and students in economics, law, business, international affairs, environment and natural resource management, inclusion, gender and labor issues, and much more. Full access to the AREAER Online database is included with all eLibrary subscriptions. The Annual Report on Exchange Arrangements and Exchange Restrictions (AREAER) tracks the exchange and trade regimes of members of the International Monetary Fund. AREAER Online allows users to search policy components back to 1999. Users can track how policies have changed over time or compare rules and restrictions by country and region. Microsites help researchers and professionals who are less familiar with IMF content easily find the resources they need.
