[Gaither's Dictionary of Scientific Quotations](#) Nov 25 2019 Scientists and other keen observers of the natural world sometimes make or write a statement pertaining to scientific activity that is destined to live on beyond the brief period of time for which it was intended. This book serves as a collection of these statements from great philosophers and thought-influencers of science, past and present. It allows the reader quickly to find relevant quotations or citations. Organized thematically and indexed alphabetically by author, this work makes readily available an unprecedented collection of approximately 18,000 quotations related to a broad range of scientific topics.

White Death - Blizzard of '77 Mar 30 2020 The Blizzard of 1977 was a deadly blizzard that hit the Western N.Y. state area upstate New York and Southern Ontario from January 28 to February 1, 1977. Daily peak wind gusts ranging from 46 to 69 mph were recorded by the National Weather Service Buffalo Office, with snowfall as high as 100 in recorded in areas, and the high winds blew this into drifts of 30 to 40 ft. There were 23 total storm-related deaths in western New York, with 5 more in northern New York. Certain pre-existing weather conditions exacerbated the blizzard's effects. November, December and January average temperatures were much below normal. Lake Erie froze over by December 14; an ice-covered Lake Erie usually puts an end to lake-effect snow because the wind cannot pick up moisture from the lake's surface, convert the moisture to snow and then dump it when the winds reach shore. Lake Erie was covered by a deep, powdery snow; January's unusually cold conditions limited the usual thawing and refreezing, so the snow on the frozen lake remained powdery. The drifted snow on roadways was difficult to clear because the strong wind packed the snow solidly.

The Writings of Mark Twain: Following the equator; a journey around the world Aug 27 2022

Mark Twain, the Globetrotter: Complete Travel Books, Memoirs & Anecdotes (Illustrated Edition) Aug 15 2021 Though best known for his adventure novels and humorous stories, Twain was a passionate world traveler and he recorded his journeys in several travel books which were all very popular at the time: "The Innocents Abroad" humorously chronicles Twain's "Great Pleasure Excursion" on board the chartered vessel Quaker City through Europe and the Holy Land in 1867. "Roughing It" follows the travels of young Mark Twain through the Wild West during the years 1861–1867. The book illustrates many of Twain's early adventures, including a visit to Salt Lake City, gold and silver prospecting, real-estate speculation and a journey to the Kingdom of Hawaii. "Old Times on the Mississippi" is a short account of Twain's experiences as a cub pilot, learning the Mississippi river. "A Tramp Abroad" details Twain's journey through central and southern Europe with his friend. As the two men make their way through Germany, the Alps, and Italy, they encounter situations made all the more humorous by their reactions to them. "Life on the Mississippi" is a memoir by Mark Twain of his days as a steamboat pilot on the Mississippi River before the American Civil War, recounting his trip along the Mississippi River from St. Louis to New Orleans after the War. "Following the Equator" – In an attempt to extricate himself from debt, Twain undertook a tour of the British Empire in 1895, a route chosen to provide numerous opportunities for lectures in English. The book is a social commentary, critical of racism towards Blacks, Asians, and Indigenous groups. "Some Rambling Notes of an Idle Excursion" presents a series of stories about a trip that Twain and some friends took to Bermuda from New York City. "Chapters from my Autobiography" comprises a rambling collection of anecdotes and ruminations of Mark Twain, assembled during his life. Samuel Langhorne Clemens (1835-1910), better known by his pen name Mark Twain, was an American writer, humorist, entrepreneur, publisher, and lecturer.

*The Ice Storm* Oct 29 2022 The national bestseller and basis for the Ang Lee film is a "powerful" novel of two troubled families during a blizzard in 1970s suburban Connecticut (Newsday). A potentially devastating blizzard approaches New Canaan, Connecticut, while internal forces of desire, frustration, and ennui threaten to tear apart two quintessentially affluent, suburban families. Elena Hood rightfully suspects her husband, Benjamin, is having an affair with neighbor Janey Williams, while Benjamin resents Elena and his mounting feelings of ineptitude. As the snow begins to fall, Benjamin and Elena, as well as Janey and her husband, attend a neighborhood "key party," where they and other respectable suburbanites agree to go home with whomever's keys they draw from a bowl. Meanwhile, the Hoods' and Williams's teenage children are caught up in their own experimentations with sex and drugs as they test the boundaries of their structured upbringing. With author Rick Moody's sharp eye for the nuances of suburban life and allusions to 1970s America from Watergate to the Fantastic Four, the novel's landscape is vivid and immersive. This timeless, unforgettable novel is a compassionate portrayal of flawed characters and reflects Rick Moody's sharp eye for the contradictions of suburban life. This ebook features an illustrated biography of Rick Moody including rare images from the author's personal collection.

He is best known for his two novels – The Adventures of Tom Sawyer and its sequel, the Adventures of Huckleberry Finn, but his satirical stories and travel books are also widely popular. His wit and satire, in prose and in speech, earned him praise from critics and peers. He was lauded as the greatest American humorist of his age.

Ei Engineering Conference Index Jan 28 2020

Fishers Landing Jul 26 2022 Fishers Landing boasted many of Clark County's earliest legislators and power brokers. Men like Solomon W. Fisher, William M. Simmons, Silas D. Maxon, Joel Knight, and Henry M. Knapp--family men who came by wagon train and settled where the land was rich--established Clark County's first roads, schools, and post offices. The men of Fishers Landing and their allies served multiple terms in the Washington Territorial Legislature, House, and Council. When Washington became a state in 1889, two area sons, Samuel S. Cook and Hannibal Blair, served in the first state legislature. The soil at Fishers Landing and on the plain produced abundantly, enabling the families who farmed it to invest in warehouses, wharfage, railroads, agribusiness, lumber, quarry rock, and other forms of enterprise. The people of Fishers Landing, and on Mill Plain, mixed ideas of good governance with fervent territorial politics and the good life of family and the family farm.

Operas in English May 24 2022 Although many opera dictionaries and encyclopedias are available, very few are devoted exclusively to operas in a single language. In this revised and expanded edition of *Operas in English: A Dictionary*, Margaret Ross Griffel brings up to date her original work on operas written specifically to an English text (including works both originally prepared in English, as well as English translations). Since its original publication in 1999, Griffel has added nearly 800 entries to the 4,300 from the original volume, covering the world of opera in the English language from 1634 through 2011. Listed alphabetically by letter, each opera entry includes alternative titles, if any; a full, descriptive title; the number of acts; the composer's name; the librettist's name, the original language of the libretto, and the original source of the text, with the source title; the date, place, and cast of the first performance; the date of composition, if it occurred substantially earlier than the premiere date; similar information for the first U.S. (including colonial) and British (i.e., in England, Scotland, or Wales) performances, where applicable; a brief plot summary; the main characters (names and vocal ranges, where known); some of the especially noteworthy numbers cited by name; comments on special musical problems, techniques, or other significant aspects; and other settings of the text, including non-English ones, and/or other operas involving the same story or characters (cross references are indicated by asterisks). Entries also include such information as first and critical editions of the score and libretto; a bibliography, ranging from scholarly studies to more informal journal articles and reviews; a discography; and information on video recordings. Griffel also includes four appendixes, a selective bibliography, and two indexes. The first appendix lists composers, their places and years of birth and death, and their operas included in the text as entries; the second does the same for librettists; the third records authors whose works inspired or were adapted for the librettos; and the fourth comprises a chronological listing of the A-Z entries, including as well as the date of first performance, the city of the premiere, the short title of the opera, and the composer. Griffel also include a main character index and an index of singers, conductors, producers, and other key figures.
