The Biker's Girl Nov 29 2019 That's what I think every time I look at sweet, thick little Kitty, who runs the animal shelter next door and keeps my dad's dogs healthy. I would love to make her smile--and scream. I'd even let her leave me with plenty of claw marks. But sweet little Kitty's so shy I'm still trying to figure out how to hit her up without scaring her off.

A Biker's Life Jun 16 2021 I can't think of anywhere I'd less like to be than in a car. When you're driving a car, you're not taking part, you're a spectator. You're in a can; if it's cold you turn up the heating, if you're hungry you have a wine gum. You might be looking at what's going on, but you're definitely not a part of it. A BIKER'S LIFE is the dramatic, humorous and candid memoir of one of the most recognisable names in motorcycling. Henry Cole's passion for motorbikes began when, at the age of eight, he was first introduced to a 'man cave'. His great-uncle Redbeard's corrugated iron shed was 'stuffed to the gills with old motorbikes' which Henry helped rebuild and ride. Since then, Henry's life can be charted through the bikes and journeys he has been on - from a stifling public-school education, via many years battling addiction, to the big-sky iconic routes Henry has ridden for over twenty series as presenter of numerous TV shows. This book reminds millions of motorcyclists why their bike gives them the freedom to be exactly who they want to be: to say 'I'm doing my thing.' When you ride a motorbike you become part of a worldwide community of kindred spirits - those of us who will not be pacified by driving a car, but instead live for adventure, escape and the sheer thrill of the throttle.

The Biker's Bride Jan 30 2020 The Biker's Bride is book 1 of the Bloody Saints MC trilogy. Books 2 and 3, The Biker's Girl and The Biker's Sins are available everywhere now! THE RING ON HER FINGER MEANS SHE'S MINE – AND NO ONE ELSE CAN TOUCH HER.

Messing with her is messing with me. And no man survives a mistake like that. Lay a finger on her and I'll break it in half. That's a motherf**king promise. She tried to put me in my place. So I put her in hers: Bent over my bed with her dress hiked up and her hair pinned back. I make her say the truth out loud: She belongs to me now. And by the time I'm done, she knows it, too. But hearing it isn't enough. Only seeing is truly believing. So by the time all this is over, I'm gonna claim her in the purest way I know how: With my ring on her finger. The thing is, that depends on keeping us both alive. I've got enemies, and they'll do whatever they can to hurt me. Even if it's by hurting her. She'll have to get used to living on the edge. That's what comes with being a biker's bride.

The Ballerino and the Biker Nov 02 2022 Most of his young life, Morgan Wentworth has dreamed of becoming a principal dancer in a prestigious corps de ballet. After years studying the art in Milan, Morgan comes home to New York City to apprentice with the Manhattan Ballet Company only to be hit by the unexpected death of his older brother, Jake. The grieving dancer learns his life is threatened by a dangerous rival motorcycle gang and that pierced, tattooed, HOT biker Zeke Ivers has been assigned by Jake's MC to guard him. Saddled with the constant presence of the infuriating man, Morgan juggles the demands of an exhausting dance schedule as well as his new responsibilities as CEO of his family's multi-million-dollar company. He never expects to develop an attraction for the straight, obnoxious biker, but that's exactly what happens. Estranged from an abusive family, Zeke Ivers has lived at the Hedonists' club house and worked on cars since he was a teen. When fellow club member Jake Wentworth and a rival club president's girl are killed on Jake's bike, the Hedonists' president delegates the protection of Jake's little brother, Morgan, to Zeke. Zeke would do anything for the club that pulled him off the streets, but Morgan's a ballet dancer, for Christ's sake, as well as annoying as hell. Still, Zeke finds himself inexplicably drawn to the young man. The more attracted Zeke becomes to Morgan, the more the biker is forced to examine his sexuality and decide whether two people from opposite sides of the tracks could possibly have a future together, or if Zeke should do what is fast becoming too painful to consider: let Morgan go.

Angels of Death Nov 09 2020 The award-winning authors of The Road to Hell: How the Biker Gangs Are Conquering Canada bring us a definitive, up-to-the-minute account of the Hells Angels and the international biker network. Marsden and Sher explain how the expansion of America’s foremost motorcycle gang has allowed this once ragtag group of rebels, outcasts and felons to become one of the world’s most sophisticated criminal organizations. While the media has continued to toast the Hells Angels California leader, Sonny Barger, as an American legend, the facts tell another story—they are America’s major crime export. With an estimated 2,500 full-patch members in 25 countries, the Hells Angels have inspired a global subculture of biker gangs that are among the most feared and violent underworld players. Angels of Death takes readers to Arizona, inside the biggest American police undercover operation to infiltrate the bikers; to British Columbia where wealthy bikers dominate the organized crime pyramid; to Australia where the “bikies” shoot it out with police; to Curaçao where terrorist organizations funnel drugs to Dutch bikers; and to the streets of Oslo, Copenhagen and Helsinki where a murderous biker war saw rocket attacks and bombs turn Scandinavia into a war zone. For the first time, police officers who have infiltrated biker gangs tell their secrets—revealing the challenges,

fears and horrors they've discovered going undercover. Sher and Marsden take the reader behind the latest headlines to tell the story of how the Hells Angels became so powerful, and how the police—with only a few successes—have tried to stop them. Excerpt from Angels of Death: Three murderous evenings, three different continents, three faces of the Angels of death: the killing of innocents, the killing of fellow bikers, and the killing of cops. Not to mention the hundreds of thousands of lives ruined, brains fried, bodies withered by the methamphetamines, cocaine and other drugs pushed by the bikers. And yet while the body count kept mounting, Sonny Barger, the Californian patriarch and international leader of the Hells Angels, was being feted by the international media as he promoted his latest bestselling book. Even the usually thoughtful British press fell for the rebel Yankee. The Times called him, “affable, big-hearted, warm.” The Independent labelled him an “American legend.” And in many ways he is.

Two Princes Jan 12 2021 NEW SERIES from New York Times and USA Today BESTSELLING AUTHOR, Victoria Danann. Two brothers, unknown to each other are on a crash trajectory with destiny and two broken hearts. Brigid was a graduate student at the University of Texas. It wasn't hard getting her thesis approved, but finding a Hill Country motorcycle club willing to give her access to their lifestyle was starting to look impossible. Then she got a lead. A friend's room mate had family ties to The Sons of Sanctuary. Perfect. Or so she thought. What she wanted was information to prove a scholarly proposition. The last thing she had in mind was falling for one of the members of the club. Especially since she was a feminist academic out to prove that motorcycle clubs are organized according to the same structure as primitive tribal society. Brash was standing in line at the H.E.B. Market when his world tipped on its axis. While waiting his turn to check out, his gaze had wandered to the magazine display and settled on the new issue of "NOW." The image on the cover, although GQ'd up in an insanely urbane way, was... him. After reading the article, he threw some stuff in a duffel and left his only home, a room at The Sons of Sanctuary clubhouse, with a vague explanation about needing a couple of days away. He left his truck at the Austin airport and caught a plane for New York, on a mission to find a mysterious guy walking around with his face. BONUS MATERIAL INCLUDED Intro to the Sons of Sanctuary MC, A Season in Gemini "SENSITIVITY WARNING: Sometimes this book is profane or obscene or both. "

The Biker and the Gamer Aug 19 2021 It all started with a failed engine... I've seen them around. Preppy, sun-kissed Californians zigzagging about Denver in funky Jeep Wranglers. Ignored them. Until one of them walks through the doors of The Metal House Auto Repair Shop. Sure, he's good-looking or whatever, but hideously dressed, a bit nerdy, and such a far cry from my type that it's not even worth mentioning. So why can't I stop staring? Captivated. Confused. And why does he keep staring? Like I'm a dream come to life. He offers me a deal too good to pass up, a deal that will get me one step closer to my dream to travel the world. I couldn't have anticipated the turn my life would take when I said yes to Alec Vaughn. Tags: opposites attract, interracial romance

The Secret Life of Bikers Apr 02 2020 From the bestselling author of The Hard Way Out and for fans of Sons of Anarchy comes a new book that reveals the cold, dark and dirty secrets of the biker underworld Hells Angels. Bandidos. Outlaws. Vagos. What would you do if a biker sat beside you in a bar? What about if a group of leather-and-denim-clad tough guys established a clubhouse in your neighbourhood? Television and movies glamourize bikers as freedom fighters, men who do things their own way, brothers in arms who party all the time and ride Harleys to escape everyday life, while news reports paint them as criminals, responsible for drug trafficking, brutal assaults and murder. That paradox, each side true in its own way, is what makes outlaw motorcycle gangs so very fascinating. What really goes on behind those heavily secured steel clubhouse doors? In The Secret Life of Bikers, bestselling crime author Jerry Langton tells the stories of the men who live the biker life as they have never been told before. Langton has interviewed many bikers over the past decade and shares their stories in these pages, often in their own words. He has also interviewed members of law enforcement to hear the biker story from the other side of the ledger. All told, this book offers highly unique and often bloody insights into the everyday workings of motorcycle clubs: the club hierarchy, the clubhouse, the parties, the initiation rituals, the brawls, the bodies and the brotherhood of blood.

Freedom's Rush: Tales from The Biker and The Beast Jul 18 2021 When you're out riding, things happen. If you keep at it, everything happens.... Thus goes the simple wisdom of Foster Kinn in Freedom's Rush: Tales from a Biker and His Beast. Join Foster as he travels through the continental United States with an occasional detour into Canada, experience with him all that can happen in the "day in a life" of a biker: "Sometimes you're hungry, sometimes you eat too much. Sometimes you're unbearably hot, sometimes painfully cold. You lose things and get lost; you find things and find your way. You fall in love, you find things to despise. You bleed and you heal; you get sick, then you're invincible. The rains pelt, the snows blind, the winds make you helpless. You ride through gorgeous scenery and through desolate wastelands; all places are the way they're supposed to be and they're all perfect. It's life in microcosm." In part a celebration of the grandness of this wide, wonderful world, in part a meditation on the meaning of freedom and our sacred right to create, you will laugh with Kinn at all the wonderfully wacky characters he meets on the road, and you will be dazzled by the utter joy he finds as he rides. When you read the last line, you will know what he means when he writes: As long as freedoms exist, we will ride; As long as we ride, freedoms will exist.

God's Biker Sep 07 2020 Zac's Place is a church in Swansea. It is a small chaotic community of Jesus followers where the most fragile of life's walking wounded try to work out their faith, because they quite simply wouldn't fit anywhere else. It's also the spiritual home for the local chapter of the motorcycle club God's Squad. Zac's Place was founded in 1998 and for nearly twenty years has been led by Sean Stillman – a “painfully shy, nervous preacher's kid” – whose front-line ministry, at Zac's Place and on the road, has cost him dearly, including physical

beating. In Zac's Place, chaos and disorder sit alongside community and grace in an environment that sometimes resembles an AA meeting mixed with a casualty department. This is Sean's personal story of a transformed faith alongside the broken, the story of the church he started and the European-wide growth of an unlikely bunch of biker missionaries. The thread that will run through it is the 'greater righteousness' that Christ was looking for - what can happen when our concern for the perfect performance is stripped bare and replaced with poverty of spirit. *The Biker Code* Feb 22 2022 Truthfully and gracefully depicting the clannish, unconventional world of leather fringes and sacred steel, *The Biker Code* is a perfect gift book for the merely curious, and illuminated scripture for the true disciple. Perhaps no American subculture is as consistently fascinating and serially misunderstood as the biker movement. Both feared and lionized by the mainstream, the insular, fiercely defiant community of hardcore hog devotees is notoriously difficult to infiltrate. But here comes *The Biker Code*, affording a revealing, knowing, and warm glimpse of the biker lifestyle for the lifelong rider and the uninitiated alike. With fifty photographs in elegant, spare black and white, *The Biker Code* captures the iconoclasts, free spirits, and born-to-ride outlaws of Planet Harley. Unlike any book that has come before it, *The Biker Code* quietly understands and affectionately celebrates the Harley life. *The Biker Code* features original photographs, artwork, and quotes that honestly depict and cleverly celebrate American motorcycle culture.

Conspiracy of Brothers Dec 31 2019 To coincide with Random House Canada's publication of the groundbreaking book *Unrepentant* by Peter Edwards and biker Lorne Campbell, Vintage Canada updates and reissues the award-winning true crime classic that tells the complete and scandalous story in the most gut-wrenching chapter of Campbell's life. You can't read one without wanting to read the other! On the night of October 18, 1978, small-town biker Bill Matiyek was having a drink in a Port Hope bar. A gunman suddenly walked up and fired 3 bullets into his head. Members of the rival bike club Satan's Choice, who were in the bar, quickly vanished. Was it a cold-blooded gangland-style execution, as the Crown Attorney and police would argue, or the compulsive act of a single gunman? Was the trial that followed driven by persistent police work or a police frame-up? Did the bikers conspire to murder or did the law conspire to convict them? Guilt by association, unreliable eyewitness testimony, suppression of evidence, botched police procedures--call the results justice or call them revenge, the question remains: Who really killed Bill Matiyek, and why?
