The Ladies' Repository Dec 10 2020 The idea of this women's magazine originated with Samuel Williams, a Cincinnati Methodist, who thought that Christian women needed a magazine less worldly than Godey's Lady's Book and Snowden's Lady's Companion. Written largely by ministers, this exceptionally well-printed little magazine contained well-written essays of a moral character, plenty of poetry, articles on historical and scientific matters, and book reviews. Among western writers were Alice Cary, who contributed over a hundred sketches and poems, her sister Phoebe Cary, Otway Curry, Moncure D. Conway, and Joshua R. Giddings; and New England contributors included Mrs. Lydia Sigourney, Hannah F. Gould, and Julia C.R. Dorr. By 1851, each issue published a peice of music and two steel plates, usually landscapes or portraits. When Davis E. Clark took over the editorship in 1853, the magazine became brighter and attained a circulation of 40,000. Unlike his predecessors, Clark included fictional pieces and made the Repository a magazine for the whole family. After the war it began to decline and in 1876 was replaced by the National Repository. The Ladies' Repository was an excellent representative of the Methodist mind and heart. Its essays, sketches, and poems, its good steel engravings, and its moral tone gave it a charm all its own. -- Cf. American periodicals, 1741-1900.

[A BOY'S TOWN ADVENTURES: The Flight of Pony Baker, Boy Life, A Boy's Town & Years of My Youth \(Illustrated Edition\)](#) Jun 15 2021 In this series, William Dean Howells delightfully describes the early years of his life, in the "Boy's Town" of Ohio, the state where he was born and raised. These stories remain as a vivid autobiographical records and colorful images of a life in the mid-nineteenth century American town. Extract: "If there was any fellow in the Boy's Town fifty years ago who had a good reason to run off it was Pony Baker. Pony was not his real name; it was what the boys called him, because there were so many fellows who had to be told apart, as Big Joe and Little Joe, and Big John and Little John, and Big Bill and Little Bill, that they got tired of telling boys apart that way; and after one of the boys called him Pony Baker, so that you could know him from his cousin Frank Baker, nobody ever called him anything else." William Dean Howells (1837-1920) was an American realist author, literary critic, and playwright. Nicknamed "The Dean of American Letters", he was particularly known for his tenure as editor of the *Atlantic Monthly* as well as his own prolific writings, including the Christmas story "Christmas Every Day", and the novels *The Rise of Silas Lapham* and *A Traveler from Altruria*. Howells is known to be the father of American realism, and a denouncer of the sentimental novel. He was the first American author to bring a realist aesthetic to the literature of the United States. His stories of Boston upper crust life set in the 1850s are highly regarded among scholars of American fiction.

Tales from the Sunday House Dec 22 2021 Sometimes incomplete, sometimes apparently pointless, sometimes merely addenda to previously told tales, these eleven stories are the kind of tales family members told other - often younger - members of the family as they sat by the fireside or on the porches of their "Sunday Houses," structures peculiar to the German Texans, built on lots so that farmers and their families would have a place to rest when conducting business in town, attending to medical needs, or attending church services.

*Girls to the Rescue* Nov 28 2019 During World War I, as young men journeyed overseas to battle, American women maintained the home front by knitting, fundraising, and conserving supplies. These became daily chores for young girls, but many longed to be part of a larger, more glorious war effort--and some were. A new genre of young adult books entered the market, written specifically with the young girls of the war period in mind and demonstrating the wartime activities of women and girls all over the world. Through fiction, girls could catch spies, cross battlefields, man machine guns, and blow up bridges. These adventurous heroines were contemporary feminist role models, creating avenues of leadership for women and inspiring individualism and self-discovery. The work presented here analyzes the powerful messages in such literature, how it created awareness and grappled with the engagement of real girls in the United States and Allied war effort, and how it reflects their contemporaries' awareness of girls' importance.

Moonfleet Jul 05 2020 Moonfleet is a novel written by English writer J. Meade Falkner. A tale of smuggling, royal treasure and shipwreck, the book was extremely popular among children, mostly for its themes of adventure and gripping storyline. It remains a popular story widely read and is still sometimes studied in schools. "Moonfleet" begins as a mystery and an adventure story, a tale of smuggling set among the cliffs, caves, and downs of Dorset. What will be the outcome of the conflict between smugglers and revenue men? How can the hero, John Trenchard, discover the secret of Colonel John Mohune's treasure?

**Investing and the Irrational Mind: Rethink Risk, Outwit Optimism, and Seize Opportunities Others Miss** Jun 03 2020 Behavioral finance expert and bestselling author Robert Koppel shows traders and investors how to invest your money rationally, even in an irrational world "Investing," according to Robert Koppel, "Involves far more than specific analytical and strategic skills. It requires the development of habits, thought patterns and creative attitudes that influence the way to think and act in the market." In *Investing and the Irrational Mind*, Koppel, author of the classic bestseller, *The Inner Game of Trading*, uses the latest advancements in behavioral finance and neuroeconomics to help you gain these habits, as well as the deep understanding of market risk factors necessary to successful portfolio building. Armed with 30 years' experience as an analyst, and fund manager, and interviews with top traders, behavioral economists, risk managers and neuroscientists, Koppel lets you build a personal arsenal of risk management skills ("quantitative architecture") necessary for investors at any level to develop a focused, disciplined, confident, and profitable approach to investing. Filled with surprising insights into human behavior, and rock-solid financial advice, this is the guide you need to invest in today's markets.

**The Subtenant ; To Outwit God** May 27 2022 This volume presents two works by acclaimed Polish journalist Hanna Krall: *The Subtenant*, a semi-autobiographical novel, and *To Outwit God*, a remarkable interview with Marek Edelman, the last surviving leader of the Warsaw Ghetto uprising. *The Subtenant* explores the troubled and ever-shifting relationships between Poles and Jews, beginning with the author's concealment as a child during the Nazi years and ending in 1981 when martial law was declared in Poland. In *To Outwit God*, Edelman's words assault conventional assumptions about heroes and heroism, taking in his time not only in the Warsaw Ghetto but his careers as a physician and a Solidarity activist. Taken together, the two works form a powerful memoir of Jewish survival, a meditation on Polish-Jewish relations, and a commentary on the forces that have produced modern Polish opposition movements.

**The Boy Who Outwitted Mengele** Nov 01 2022 *The Boy Who Outwitted Mengele* is the true story of Holocaust survivor, Michael (Miki) Popik. Miki grew up in the small town of Levice in Czechoslovakia. In 1944, his life changed forever. At the age of 13, Miki and his family were sent to the concentration camps at Auschwitz. Miki survived against all odds and ultimately triumphed to live a life of love. Miki Popik shares an incredible tale of survival, courage and resilience. He speaks of his life as a child in Czechoslovakia at the dawn of World War II, of his imprisonment at two concentration camps, of his family's struggles for survival, and his efforts after the war to locate his family. Though he was the only one from his extended family to survive, he felt very fortunate to have learned where in a mass grave in Mhlendorf, Germany, his father and brother had been interred. Mhlendorf was a sub-camp of the infamous Dachau, not far from Munich. Miki's story moves like none other." - Alan S. Blaustein, JD, MD "In 2012, my classmates and I from the Sherman Block Supervisory Leadership Institute were fortunate to hear you speak at the Museum of Tolerance. Your words were truly inspiring! I left the museum that day speechless and humbled. I realized that nothing in my life can be assimilated to what you have experienced in yours. It shed a new light on the human race and how we treat one another." - Sergeant Robert O'Brine, San Bernardino County Sheriff's Dept.

**Cultures Without Borders** Sep 18 2021 May Rihani's book is proof of the emptiness of three stereotypes: she challenges the idea that Arab women are submissive, that there are no democracies in the Middle East, and the notion of a "clash of civilizations." Her life demonstrates global leadership by a Lebanese Arab woman, and her memoir describes a golden age in Lebanon when democracy and freedom of expression were taken for granted. Perhaps most importantly, *Cultures Without Borders* finds the common ground among cultures despite apparent differences. This is an eyewitness account of the rich and profound goodness in humanity. H.E. Amine Gemayel, former President of Lebanon *Cultures Without Borders* contains important lessons for all those who aspire to live as productive global citizens in the twenty-first century. On the macro level, May Rihani's book demonstrates the falsity of the "clash of civilizations" theory that posits inevitable conflict between peoples of differing cultures. Instead, through personal anecdotes and authoritative evidence drawn from real-world experiences, she demonstrates the universality of the impulse to transcend frontiers of the mind and connect peacefully with "the other" through education and dialogue. Suheil Bushrui, Professor Emeritus, University of Maryland I have never met anyone who so adeptly mixes academics, philosophy, technical know-how, advocacy, and common sense like May Rihani. I have watched with awe as she has applied her unique set of skills and made a difference in the lives of women and girls around the world. Stephanie Funk, USAID Mission Director, Zimbabwe Weaving between poetry and politics; evoking the intimacy of family and the openness of public service; at once struggling for local girls' education/poverty alleviation and negotiating with World Bank and UN officers; laboring every day for economic development for women and yet running high romance with Romeo lovers; conversing equally with illiterate village friends and global leaders - May Rihani invites us into a Lebanese and American garden throbbing with its unfolding mystery; enchanted by fragrances of East, West and South; and exhilarated by the empowering possibility of a life lived fully every moment and yet always with an eye to the possibilities ahead. She humbles, she empowers, she inspires. Suad Joseph, Distinguished Research Professor, University of California, Davis

*Prayers That Outwit the Enemy* Aug 18 2021 Although Christians often feel defeated and victimized by Satan and his minions, Scripture says that we are more than conquerors through Christ Jesus and that it's possible to live without giving Satan any ground. So why don't more Christians experience spiritual victory and power? CHUCK D. PIERCE says it's because we spend more time licking our wounds than we do studying Satan's sniper strategies so that we can find the shooter. The key to overcoming our enemy is to become more shrewd in recognizing his strategies, to pray in specific ways that help us to overcome Satan's attacks, and to wear the armour described in Ephesians 6. As we learn to pray with power and authority prayers of submission, confrontation, faith, wisdom, breakthrough and more, we can learn to outwit the enemy of our souls.
