The Camper Cookie Nov 18 2021 'The Camper Cookie: Easy Recipes and Cool Tips for Your Campervan Life' is a friendly cookbook full of easy, delicious recipes that you can make in a campervan kitchen. The book also has some really helpful tips for cooking in a campervan like: how to create a capsule larder that uses the same ingredients for many meals or kitchen kit, like silicone lids, that help to make your cooking life easier. Summer is a passionate campervanner who also loves good food and she now blogs and writes books about the easy, home-style recipes that she creates for the campervan life. Summer and her partner, Glyn, had been camping for many years but got fed up with putting up a tent in the half-light on a Friday night or taking it down in the rain at the end of a wet weekend so decided to buy themselves a small campervan. They went to the campervan shows but realised that their very small budget would buy them barely more than a wheel there! But then they found a company that sold converted Toyota Previas for a reasonable price and their new campervan, 'Trev-the-Prev' came in to their life. Summer had Chronic Fatigue Syndrome for many years but healed herself by researching, like a maniac, everything to do with mind-body health. She realised that nutritious food is very important to staying well and happy but found that it was not so easy to cook good food in the limited kitchen that you get in a small campervan. So she started to search for and develop easy real-food recipes that they could cook when they were out having adventures. She loves

to share her recipes so she started up a blog (www.thecampercookie.com) and also writes recipe books for campervan cooking. She also demonstrates her recipes on YouTube and at shows.
