*The Echoing Grove* Jan 11 2021 Two sisters: Madeleine and Dinah. One husband: Rickie Masters. For many years now, Dinah, exotic and sensual, has conducted a clandestine affair with Rickie. Madeleine, calm and resolute, has accepted that her marriage has been of limited success. Rickie's sudden death makes widows of both sisters in this highly imaginative novel that explores with extraordinary insight the sublimity, the rivalry and the pain of personal relationships. 'She makes a mood, an atmosphere, which is never forgotten . . . That, of course, is what Rosamond Lehmann does best' Sunday Times

As Once in May Jun 23 2019 Throughout her life, Antonia White struggled with a formidable writer's block: the FROST IN MAY quartet was thought to be her final achievement. Yet on her death, this extraordinary work - her autobiography up to the age of six - was discovered among her papers. The freshness and vitality with which Antonia White recorded her much younger self is breathtaking. A writer with the phenomenal power of almost total recall, she recreates her capricious and extravagant mother and the indomitable father she both feared and adored, who taught Antonia the first line of the Iliad when she was three. Here, too, are perfect vignettes: the glorious bridesmaid's hat which her mother later appropriated;

love at first sight in Kensington Gardens and games of Mr and Mrs John Barker in the nursery. Much more than an evocation of childhood, *AS ONCE IN MAY* illuminates the woman and writer Antonia White was to become. It is an essential and enthralling companion to her fiction.

*Mastering the VC Game* Jul 29 2022 Entrepreneurs who dream of building the next Amazon, Facebook, or Google can take advantage of one of the most powerful economic engines the world has ever known: venture capital. To do so, you need to woo, impress, and persuade venture capitalists to take a risk on an unproven idea. That task is challenge enough. But choosing the right investor can be harder still. Even if you manage to get backing, you want your VC to be a partner, not some adversary who will undermine your vision in order to make a quick return. Jeffrey Busgang is one of a few people who have played on both sides of this high-stakes game. By his early thirties, he had helped build two successful start-ups-one went public, the other was acquired. Now he draws on his experience and unique perspective on the "other side" as a venture capitalist helping entrepreneurs bring their dreams to fruition. Busgang offers detailed insights, colorful stories, and practical advice gathered from his own experience as well as from interviews with dozens of the most successful players on both sides of the game, including Twitter's Jack Dorsey and LinkedIn's Reid Hoffman. He reveals how to get noticed, perfect a pitch, and negotiate a partnership that works for everyone. An insider's guide to the secrets of the world venture capital, *Mastering the VC Game* will prove invaluable for entrepreneurs seeking capital and successful partnerships.

Readers will

The Bay Of Noon Jul 05 2020 The scene is Naples, against whose ancient and fantastic background the modern action takes place. Among the protagonists is Jenny, young and pretty, who has come to Naples in flight from a sombre drama, unaware that a larger drama waits her there. Honourable Estate Mar 01 2020 Young Janet Harding is still grieving when she accepts a proposal from Reverend Rutherford, the kindly vicar who befriended her during her mother's last illness. Her ambitions to further the suffragette cause are hampered, though, by her early pregnancy with a son, Denis, and life in the spa town of Sterndale is increasingly stifling... Stephen Allendeyne, heir to Dene Hall, prides himself on his marriage to Jessie Penryder, an impoverished governess with little respect for his smug family but plenty of social ambition. At odds in all else, the couple are united in their scorn for daughter Ruth's preference for work, ideas and freedom over marriage... In the aftermath of WWI, Ruth and Denis meet each other through work in Eastern Europe. The scars of their pasts and of the war itself are diminished in a determination to forge a new kind of marriage.

Good Daughters Sep 06 2020 'What's so special about a son? Why doesn't she care about her daughters?' Mary Hocking brings good humour and sympathy to her depiction of the Fairley sisters growing up in their close-knit West London neighbourhood before, during and after the war. Here, in the first novel of a trilogy, the girls are sheltered in a world whose traditions of hard work and frugality are upheld by their Methodist father, Stanley, and their strong quiet mother, Judith. But, as love comes to Louise and adventures tempt Alice and her friend, unease lurks and terrible rumours travel from Germany - auguries of the catastrophe to come.

The Orlando Trilogy Jun 03 2020 Isabel Colegate's renowned trilogy tells the story of Orlando King, who rose to ambiguous power during the moral confusion of the 1930s, his spectacular downfall and the troubled legacy bequeathed to his divided family. As the 1950s draw to a close, his courageous daughter Agatha accomplishes the painful resolution. Echoes of Greek tragedy and myth add depth to Colegate's vivid account of three turbulent decades.

The Dark Tide Nov 28 2019 Daphne Lethbridge is back at Oxford after a year of war work. Attractive, bright, romantic and vivacious, she

hooks up with old friends and makes new ones quickly. Someone she cannot warm to, however, is her cynical contemporary Virginia Dawson, with whom she shares a tutor. Each is secretly and painfully aware of the other: Daphne craves Virginia's seemingly effortless academic achievement, and Virginia scorns Daphne's every social success. Things come to a head when the girls' joint tutor, Mr Sylvester, asks Virginia to marry him. She spurns him and he, determined to revenge himself upon Virginia, asks the naïve Daphne to marry him later the same day. Desperately in love with Mr Sylvester, she agrees on the spot. Her happiness, however, is short-lived, as her new husband belittles her and discourages her efforts to understand and serve him. She turns at last to her old rival, Virginia, and the two slowly forge a loyal friendship based on mutual respect and shared aspirations.

**We That Were Young** Feb 09 2021 This fierce anti-war novel by Irene Rathbone (1892-1980) is told from the perspective of a cultured former suffragist and several of her friends- young women who work at rest camps just behind the lines in France and as nurses of the severely wounded in hospitals in London. When Joan loses both her brother and lover to the war, in anger at the enemy she volunteers for work in a munitions plant- but by the end, she is a confirmed pacifist.

**Formation** Aug 18 2021 Formation tracks the unlikely series of events and characters that led to the creation of the modern Nigerian nation: from 1804 when the first Jihadists began their attack on a collection of independent nations to 1914 when the current shape of Nigeria was completed as a British colony through amalgamation. Formation sheds light on an increasingly forgotten and largely mythologised period of Nigeria's history; revealing an incredibly complicated portrait of a nation with a tangled history, where violence was and remains a primary organising principle for elite competition and political negotiations. Influential figures loom large over the narrative including: Usman dan Fodio, Modibbo Adama, Fred Lugard, Samuel Ajayi-Crowther, Funmilayo Ransome-Kuti, Flora Shaw, Joseph Chamberlain alongside other well-known and many less familiar names.

Venture Capital & the Finance of Innovation Aug 30 2022 "Many interesting developments have occurred in the world of venture capital since the publication of the first edition of this book in 2006, which prompted us to revise the book for the second edition. While the organization of the book remains unchanged, many of the chapters are substantially rewritten. For example, in Chapter 5, we re-ranked top VC firms, incorporating the latest performance statistics, fundraising and investment activities, notable exits, and (as always) our subjective opinions. In Chapter 6, we examine further

evidence of the deepening globalization of the industry. In Chapters 3, 4, and 7, we analyze the impact of the 1999-2000 Internet bubble years on the VC risk and returns, as investments made in those years are finally mature and thus now a part of the performance evaluation analysis. We also incorporated expositional improvements throughout the book based on reader feedback on the first edition. Another feature of the new edition is that the VCV model, used extensively in Part III of the book, is now available as a Web-based application available on <http://VCVtools.com>. Significant collaborative efforts went into developing this tool, which we believe will be of interest to a broad audience, including practitioners interested in valuing VC-backed company stocks and employee stock options"

Phoenix Fled Nov 08 2020 'There is so much to love and admire in these stories - their understanding of heartbreak, their attention to affection and love across many divides' KAMILA SHAMSIE 'Listen to me, child. You will be a woman soon and must behave well and with modesty. The Kazi will ask you three times whether you will marry Kalloo Mian. Now don't you be shameless, like these modern girls, and shout gleefully "Yes". Be modest and cry softly and say "Hoon".' A marriage is arranged between a little servant girl and a middle-aged cook with an opium habit; an idealistic political worker faces disillusionment; a man returns from years studying in England to a wife he scarcely knows; a conventional bride has her first encounter

with her husband's 'emancipated' friends. Telling of the lives of servants and children, of conflict between the old traditions and new ways, and exploring the human repercussions of the Muslim/Hindu divide, these twelve stories present a moving and vivid picture of life in India in the mid-twentieth century. To each episode Attia Hosain brings a superb imaginative understanding and a sense of the poignancy of the smallest of human dramas. Attia Hosain published only two books, but her writing has influenced generations of writers. Discover Sunlight on a Broken Column, Hosain's acclaimed only novel - a coming-of-age story set against the turbulent background of Partition, also published in Virago Modern Classics.

The Flint Anchor May 03 2020 'A comic masterpiece' Patrick Gale, Guardian Pillar of society and stern upholder of Victorian values, god-fearing Norfolk merchant John Barnard presides over a large and largely unhappy family. This is their story - his brandy-swilling wife, their hapless offspring and their changing fortunes - over the decades. Sylvia Townsend Warner's last novel, The Flint Anchor gloriously overturns our ideas of history, family and storytelling itself. 'A novel created with solidity and subtlety of feeling, a fusion of warmth, wit and quietly biting shrewdness that are reminiscent of Jane Austen' Atlantic Review 'As a sustained work of historical imagination, it has few rivals ... one of the most acute and intelligent writers of her age' Claire Harman

Afternoon Of A Good Woman Jan 29 2020 Today, Tuesday, the day that Penelope has chosen to leave her husband, is the first really warm day of spring...' Penelope has always done her best to be a good wife, a good mistress, a good mother - and a good magistrate. Today she is more conscious than usual of the thinness of the thread that distinguishes good from bad, the law-abiding from the criminal. Sitting in court, hearing a short, sad case of indecent exposure and a long, confused theft, she finds herself examining her own sex life (how would all that sound in court?) her own actions and intentions while she observes the defendants in the dock. This novel is a tour-de-force, an ingeniously constructed novel in which Nina Bawden counterpoints public appearance with private behaviour in her heroine, Penelope. The result is a marvellous picture of a not always admirable but engagingly complex and very human heroine. As always, Bawden offers a compelling story, sharply witty and beautifully observed. But it is also an honest and provocative book tracing the divergent courses of morality and justice, and uncomfortably posing, as Penelope does of herself, the question: who and what is a good woman?
