A Thousand Days Sep 18 2021 "The Special Assistant to President Kennedy describes the historic events in which John F. Kennedy participated during his three years in the White House." --

The Last Thousand Days of the British Empire Nov 01 2022 Discusses the decline in the British empire's power after the second World War, and the political issues behind the rise of the United States as a world superpower.

1000 Days May 27 2022 Examines the mission and ministry of Jesus during the one thousand days before the ascension, offering insight into his teachings on such topics as hypocrisy, temptation, happiness, and love.

One Hundred Years of Solitude Feb 09 2021
1000 Years of Joys and Sorrows Jan 29 2020
In his widely anticipated memoir, Ai Weiwei--one of the world's most famous artists and activists--tells a century-long epic tale of China through the story of his own extraordinary life and the legacy of his father, Ai Qing, the nation's most celebrated poet. Hailed as "the most important artist working today" by the Financial Times and as "an eloquent and unsilenceable voice of freedom" by The New York Times, Ai Weiwei has written a sweeping memoir that presents a
Access Free The Last Thousand Days Of The British Empire The Demise Of A Superpower 1944 47 Pdf File Free

remarkable history of China over the last 100 years while illuminating his artistic process. Once an intimate of Mao Zedong, Ai Weiwei's father was branded a rightist during the Cultural Revolution, and he and his family were banished to a desolate place known as "Little Siberia," where Ai Qing was sentenced to hard labor cleaning public toilets. Ai Weiwei recounts his childhood in exile, and his difficult decision to leave his family to study art in America, where he befriended Allen Ginsberg and was inspired by Andy Warhol. With candor and wit, he details his return to China and his rise from artistic unknown to art world superstar and international human rights activist--and how his work has been shaped by living under a totalitarian regime. Ai Weiwei's sculptures and installations have been viewed by millions around the globe, and his architectural achievements include helping to design the iconic Bird's Nest Olympic Stadium in Beijing. His political activism has long made him a target of the Chinese authorities, which culminated in months of secret detention without charge in 2011. Here, for the first time, Ai Weiwei explores the origins of his exceptional creativity and passionate political beliefs through his own life story and that of his father, whose own creativity

was stifled. At once ambitious and intimate, 1000 Years of Joys and Sorrows offers a deep understanding of the myriad forces that have shaped modern China, and serves as a timely reminder of the urgent need to protect freedom of expression.

What Every Person Should Know About War

Jan 11 2021 Acclaimed New York Times journalist and author Chris Hedges offers a critical -- and fascinating -- lesson in the dangerous realities of our age: a stark look at the effects of war on combatants. Utterly lacking in rhetoric or dogma, this manual relies instead on bare fact, frank description, and a spare question-and-answer format. Hedges allows U.S. military documentation of the brutalizing physical and psychological consequences of combat to speak for itself. Hedges poses dozens of questions that young soldiers might ask about combat, and then answers them by quoting from medical and psychological studies. • What are my chances of being wounded or killed if we go to war? • What does it feel like to get shot? • What do artillery shells do to you? • What is the most painful way to get wounded? • Will I be afraid? • What could happen to me in a nuclear attack? • What does it feel like to kill someone? • Can I withstand torture? • What are the long-term consequences of combat stress? • What will happen to my body after I die? This profound and devastating portrayal of the horrors to which we subject our armed forces stands as a ringing indictment of the glorification of war and the concealment of its barbarity.

1000 Days of Celibacy: A Race Against the Cockatoo Jul 05 2020 Join '1000 Days', the celibate blogger read around the world, as she embarks on a thousand day, sex-less quest to find the elusive Mr. Possibility. Through her sarcastic commentary on the dating world and her many dating mis-adventures, we enter a world of scheming âBar-Whores,âRocky âQuasi-Relationshipsâ and lying âCockatoosâ. So sit back, grab a glass of wine and a slice of pie, and read about what it takes to survive the dating world. Oh, and learn

why itâs important to learn to say - Screw You, Cockatoo.

Naikan Aug 25 2019 Rooted in Japanese tradition, Naikan ("nye-kahn ") is a structured method for intensely meditating on our lives, our interconnections, our missteps. Through Naikan, we develop a natural and profound sense of gratitude for blessings bestowed on us by others, blessings that were always there but went unnoticed. This collection of introductory essays, parables, and inspirations explains what Naikan is and how it can be applied to life and celebrations throughout the year.

Back from the Brink Nov 20 2021 In the late summer of 2007, shares of Northern Rock went into free-fall, causing a run on the bank - the first in over 150 years. Northern Rock proved to be only the first. Twelve months later, as the world was engulfed in the worst banking crisis for more than a century, one of its largest banks, RBS, came within hours of collapse. Back from the Brink tells the gripping story of Alistair Darling's one thousand days in Number 11 Downing Street. As Chancellor, he had to avert the collapse of RBS hours before the cash machines would have ceased to function; at the eleventh hour, he stopped Barclays from acquiring Lehman Brothers in order to protect UK taxpayers; he used anti-terror legislation to stop Icelandic banks from withdrawing funds from Britain. From crisis talks in Washington, to dramatic meetings with the titans of international banking, to dealing with the massive political and economic fallout in the UK, Darling places the reader in the rooms where the destinies of millions weighed heavily on the shoulders of a few. His book is also a candid account of life in the Downing Street pressure cooker and his relationship with Gordon Brown during the last years of New Labour. Back from the Brink is a vivid and immediate depiction of the British government's handling of an unprecedented global financial catastrophe. Alistair Darling's knowledge and understanding provide a unique perspective on the events that rocked international capitalism. It is also a vital historical document.

The Last Thousand Days of the British Empire Apr 25 2022 ♦I have not become the King♦s First Minister in order to preside over the liquidation of the British Empire.♦ Winston

Churchill's famous statement in November 1942, just as the tide of the Second World War was beginning to turn, pugnaciously proclaimed his loyalty to the world-wide institution which he had served devotedly for most of his life. The majority of the British people, who believed they were fighting the war to beat the Germans and preserve the Empire, shared his view. Yet less than five years after Churchill's trenchant speech, and despite apparently winning the war, the British Empire effectively ended with Indian Independence in August 1947 and the end of the British Mandate in Palestine in May 1948. How did this rapid change of fortune come about? In January 1945, just before the conference at Yalta between Churchill, Stalin and Truman, where the disposition of so much of the post-war world was made, Lord Wavell, the Viceroy of India wrote in his diary: 'I wonder if the Prime Minister, who is the biggest man of the three, will still be able to assert his dominant personality. A great triumph if he can, the oldest man of the three, with the weakest hand to play.' Peter Clarke's book is the first to analyse in detail the losing hand which Britain was dealt in the last year of the war, and then to see how that hand was played over the next two years by Churchill's successors. Its originality lies in the detailed narrative which shows how military, political and economic developments bore down upon each other. It makes superb use of the copious letters and diaries now available of the major participants and many involved observers to show how decisions were taken, and of contemporary newspaper reports and contemporary witnesses to show how those decisions were received: it recreates both the geopolitics and the atmosphere of the period. Not least, it analyses dispassionately the role of the USA: how Roosevelt and his successors were determined that Britain must be sustained both during the war and after, but that the British Empire must not; and how the tension between Allied war aims, suppressed while the fighting was going on, became rapidly apparent when it stopped. The book thus also describes the short pivotal period when American influence finally took over from the British in world politics.

Rasheed. Nearly two decades later, a friendship grows between Mariam and a local teenager, Laila, as strong as the ties between mother and daughter. When the Taliban take over, life becomes a desperate struggle against starvation, brutality and fear. Yet love can move a person to act in unexpected ways, and lead them to overcome the most daunting obstacles with a startling heroism.

Five Thousand Days Like this One Oct 08 2020 Presents the history of the author's family who were farmers in New England's Merrimack Valley

The Thousand Autumns of Jacob de Zoet Apr 13 2021 The Sunday Times Number One Bestseller, from the author of CLOUD ATLAS and THE BONE CLOCKS. Longlisted for the Man Booker Prize 2010 'Brilliant' - The Times 'A masterpiece' - Scotsman Be transported to a place like no other: a tiny, man-made island in the bay of Nagasaki, for two hundred years the sole gateway between Japan and the West. Here, in the dying days of the 18th-century, a young Dutch clerk arrives to make his fortune. Instead he loses his heart. Step onto the streets of Dejima and mingle with scheming traders, spies, interpreters, servants and concubines as two cultures converge. In a tale of integrity and corruption, passion and power, the key is control - of riches and minds, and over death itself. 'Confirms Mitchell as one of the more fascinating and fearless writers alive' - New York Times Book Review

Mr Churchill's Profession Sep 26 2019 In 1953, Winston Churchill received the Nobel Prize for Literature. In fact, Churchill was a professional writer before he was a politician, and published a stream of books and articles over the course of two intertwined careers. Now historian Peter Clarke traces the writing of the magisterial work that occupied Churchill for a quarter century, his four-volume History of the English-Speaking Peoples. As an author, Churchill faced woes familiar to many others; chronically short of funds, late on deadlines, scrambling to sell new projects or cajoling his publishers for more advance money. He signed a contract for the English-Speaking project in 1932, a time when his political career seemed over. The magnum opus was to be delivered in 1939, but in that year, history overtook history-writing. When the

Access Free [s/southbooks.com](https://www.southbooks.com) on December 2, 2022 Pdf File Free

Nazis swept across Europe, Churchill was summoned from political exile to become Prime Minister. The English-Speaking Peoples would have to wait. The book would indeed be written and become a bestseller, after Churchill left public life. But even before he took office, the massive project was shaping his worldview, his speeches and his leadership. In these pages, Peter Clarke follows Churchill's monumental quest to chronicle the English-Speaking Peoples - a quest that helped to define the enduring 'special relationship' between Britain and America. In the process, Clarke gives us not just an untold chapter in literary history, but a fresh perspective on this iconic figure: a life of Churchill the author.

The First 1,000 Days Jun 27 2022 "Your child can achieve great things." A few years ago, pregnant women in four corners of the world heard those words and hoped they could be true. Among them were Esther Okwir in rural Uganda, where the infant mortality rate is among the highest in the world; Jessica Saldana, a high school student in a violence-scarred Chicago neighborhood; Shyamkali, the mother of four girls in a low-caste village in India; and Maria Estella, in Guatemala's western highlands, where most people are riddled with parasites and moms can rarely afford the fresh vegetables they farm. Greatness? It was an audacious thought, given their circumstances. But they had new cause to be hopeful: they were participating in an unprecedented international initiative designed to transform their lives, the lives of their children, and ultimately the world. The 1,000 Days movement, a response to recent, devastating food crises and new research on the economic and social costs of childhood hunger and stunting, is focused on providing proper nutrition during the first 1,000 days of children's lives, beginning with their mother's pregnancy. Proper nutrition during these days can profoundly influence an individual's ability to grow, learn, and work-and determine a society's long-term health and prosperity. In this inspiring, sometimes heartbreaking book, Roger Thurow takes us into the lives of families on the forefront of the movement to illuminate the science, economics, and politics of malnutrition, charting the exciting progress of this global effort and the formidable challenges it still faces:

economic injustice, disease, lack of education and sanitation, misogyny, and corruption. *Portrait of Camelot* May 15 2021 A revealing and intimate portrait of a president, husband, and father as seen through the lens of the first official White House photographer. Cecil Stoughton's close rapport with President John F. Kennedy and First Lady Jacqueline Kennedy gave him extraordinary access to the Oval Office, the Kennedys' private quarters and homes, state dinners, cabinet meetings, diplomatic trips, and family holidays. Drawing on Stoughton's unparalleled body of photographs, most rarely or never before reproduced, and supported by a deeply thoughtful narrative by political historian Richard Reeves, *Portrait of Camelot* is an unprecedented portrayal of the power, politics, and warmly personal aspects of Camelot's 1,036 days. "Reveals an intimate account of a very public figure...the rare archive of images features the president during state dinners and cabinet meetings at the White House to family holidays and vacations at their private homes." —Vanity Fair

Revelation May 03 2020 The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

One Thousand Days in Siberia Jan 23 2022 Iwao Peter Sano, a California Nisei, sailed to Japan in 1939 to become an adopted son to his childless aunt and uncle. He was fifteen and knew no Japanese. In the spring of 1945, loyal to his new country, Sano was drafted in the last levy raised in the war. Sent through Korea to join the Kwantung Army in Manchuria, Sano arrived in Hailar, one hundred miles from the Soviet border, as the war was coming to a close. In the confusion that resulted when the war ended, Sano had the bad luck to be in a unit that surrendered to the Russians. It would be nearly three years before he was released to return to Japan. Sano's account of life in the POW and labor camps of Siberia is the story of a little-known part of the great conflagration that was World War II. It is also the poignant memoir of a man who was always an outsider, both as an

American youth of Japanese ancestry and then as a young Japanese man whose loyalties were suspect to his new compatriots. Iwao Peter Sano returned to California in 1952 and is now a retired architect living in Palo Alto.

A Thousand Days in Venice Mar 25 2022 De Blasi, a chef and food writer from St. Louis, begins a whirlwind romance with a man in Venice.

20,000 Days and Counting Jun 15 2021 How would our thought process change if we measured our lives in days, instead of in years? Smith decided to put this concept to the test-- and walked away with life-changing information. He reveals a simple plan that will allow you to master your life, starting right now.

One Thousand Days of Spring Mar 13 2021 A true story of a young successful stockbroker going broke, and lifting his thumb in search for his true self, by traveling the world. After almost five years of traveling on five different continents, Tomislav laid down in a hammock in one village on the coast of Ecuador, and started writing a book. He was determined to put down everything he knows about traveling, and with that, answer the questions that many people ask him for years: How is it possible to travel with almost no money? Is his way of traveling safe enough? What are the worst, and the best moments on the road? How can you earn money while traveling? Where to look for sponsors? How did his parents and friends react? Why is he traveling in the first place? Since it was impossible to give a simple and short answers to those questions, he started answering them in the only way possible - by telling his life story. Tomislav wrote about his student days in Croatia, about the days when he had a well paid job as a stockbroker, about going bankrupt, about turning his life around, about first ventures on the road with a backpack on his back, and about finding a way that he will follow in the years to come - by traveling. Tomislav wrote about hitchhiking in numerous countries, sleeping in homes of strangers, camping on the side of the road, eating in supermarkets and drinking beer in parks, volunteering, many anecdotes that he encountered on the road, natural beauties that left him breathless, and about the beautiful people that he met on the way.

A diverse, ambitious group, the architects of the Web are: * Marc Andreessen, Netscape * Ariel Poler, I/PRO * Rob Glaser, Progressive Networks Andrew Anker, HotWired * Kim Polese, Marimba * Halsey Minor, C/NET * Mark Pesce, VRML * Jerry Yang, Yahoo!

The Biology of the First 1,000 Days Oct 20 2021 The first 1,000 days, from conception to two years of age, is a critical period of growth and development. Exposures to dietary, environmental, hormonal, and other stressors during this window have been associated with an increased risk of poor health outcomes, some of which are irreversible. The book addresses this crucial interval of early life across biological disciplines, linking concepts related to all biological fields to outcomes during the first 1,000 days (e.g. fetal growth and pregnancy outcomes) and beyond (e.g. gut microbiome and cardiovascular disease later in life). The strength of this book lies in its cross-disciplinary nature.

The Remains of the Day Jun 23 2019 *Kazuo Ishiguro's new novel *Klara and the Sun* is now available to preorder* From the Nobel Prize-winning author of *Never Let Me Go* Winner of the Booker Prize ONE OF THE BBC'S '100 NOVELS THAT SHAPED OUR WORLD' A contemporary classic, *The Remains of the Day* is Kazuo Ishiguro's beautiful and haunting evocation of life between the wars in a Great English House. In the summer of 1956, Stevens, the ageing butler of Darlington Hall, embarks on a leisurely holiday that will take him deep into the English countryside and into his past.

Four Thousand Weeks Oct 27 2019 AN INSTANT NEW YORK TIMES BESTSELLER

Access Free s1.southbooks.com on December 2, 2022 Pdf File Free

Provocative and appealing . . . well worth your extremely limited time. --Barbara Spindel, The Wall Street Journal The average human lifespan is absurdly, insultingly brief. Assuming you live to be eighty, you have just over four thousand weeks. Nobody needs telling there isn't enough time. We're obsessed with our lengthening to-do lists, our overfilled inboxes, work-life balance, and the ceaseless battle against distraction; and we're deluged with advice on becoming more productive and efficient, and "life hacks" to optimize our days. But such techniques often end up making things worse. The sense of anxious hurry grows more intense, and still the most meaningful parts of life seem to lie just beyond the horizon. Still, we rarely make the connection between our daily struggles with time and the ultimate time management problem: the challenge of how best to use our four thousand weeks. Drawing on the insights of both ancient and contemporary philosophers, psychologists, and spiritual teachers, Oliver Burkeman delivers an entertaining, humorous, practical, and ultimately profound guide to time and time management. Rejecting the futile modern fixation on "getting everything done,"

Four Thousand Weeks introduces readers to tools for constructing a meaningful life by embracing finitude, showing how many of the unhelpful ways we've come to think about time aren't inescapable, unchanging truths, but choices we've made as individuals and as a society--and that we could do things differently.

A Thousand Days of Wonder Jul 17 2021 In this beautifully written account of his daughter's first three years, psychologist and novelist Fernyhough combines his vivid observations with a synthesis of developmental theory, recreating what that time--lost to the memory of adults--is like from a child's perspective.

River Secrets Nov 28 2019 War between Bayern and Tira is finally over. To cement the peace with their old sworn enemies, a group from each kingdom will cross to the other for a 'season of friendship'. At first all is well, but mysterious events in the Tiran capital arouse suspicions and anger bubbles just beneath the surface. Enna's friend Razo must find out who is masterminding these events before it's too late and they find themselves trapped in the heart of Tira as war breaks out.

Four Thousand Days Dec 22 2021 Introducing turn-of-the-century archaeologist-sleuth Margaret Murray in the first of a brilliant new historical mystery series. October, 1900. University College, London. When the spreadeagled body of one of her students is discovered in her rented room shortly after attending one of her lectures, Dr Margaret Murray is disinclined to accept the official verdict of suicide and determines to find out how and why the girl really died. As an archaeologist, Dr Murray is used to examining ancient remains, but she's never before had to investigate the circumstances surrounding a newly-dead corpse. However, of one thing Margaret is certain: if you want to know how and why a person died, you need to understand how they lived. And it soon becomes clear that the dead girl had been keeping a number of secrets. As Margaret uncovers evidence that Helen Richardson had knowledge of a truly extraordinary archaeological find, the body of a second young woman is discovered on a windswept Kent beach - and the case takes a disturbing new twist .

1000 Days on the River Kwai Jun 03 2020 Memoirs by former prisoners of war of the Japanese invariably make for moving reading but Colonel Owtrams account of his years of captivity has a special significance. After being captured in Singapore and transported to the infamous Burma railway he was appointed the British Camp Commandant at Chungkai, one of the largest POW camps. Many ex-prisoners testified to the mental and physical courage that he showed protecting POWs from the worst excesses of their captors. Of course his account does not admit to this but what is clear is that in addition to the deprivation and hardship suffered by all POWs, the author bore heavy responsibility for those under his charge and the daily trauma of dealing with the unpredictable Japanese. It is not only the prisoners who suffered but their families at home. The postscript written by the authors daughters vividly demonstrates the agonies of doubt and worry that loved ones went through and the effect of the experience on all.

The Sum of Trifles Dec 30 2019 When Julia Ridley Smith's parents died, they left behind a virtual museum of furniture, books, art, and artifacts. Between the contents of their home,

Access Free [s/southbooks.com](https://www.southbooks.com) on December 2, 2022 Pdf File Free

the stock from their North Carolina antiques shop, and the ephemera of two lives lived, Smith faced a monumental task. What would she do with her parents' possessions? Smith's wise and moving memoir in essays, *The Sum of Trifles*, peels back the layers of meaning surrounding specific objects her parents owned, from an eighteenth-century miniature to her father's prosthetics. A vintage hi-fi provides a view of her often tense relationship with her father, whose love of jazz kindled her own artistic impulse. A Japanese screen embodies her mother's principles of good taste and good manners, while an antebellum quilt prompts Smith to grapple with her family's slaveholding legacy. Along the way, she turns to literature that illuminates how her inheritance shaped her notions of identity and purpose. *The Sum of Trifles* offers up dark humor and raw feeling, mixed with an erudite streak. It's a curious, thoughtful look at how we live in and with our material culture and how we face our losses as we decide what to keep and what to let go.

The Last Thousand Days of the British Empire
Aug 30 2022 'I have not become the King's First Minister in order to preside over the liquidation of the British Empire.' Winston Churchill's famous statement in November 1942, just as the tide of the Second World War was beginning to turn, pugnaciously proclaimed his loyalty to the world-wide institution which he had served devotedly for most of his life. The majority of the British people, who believed they were fighting the war to beat the Germans and preserve the Empire, shared his view. Yet less than five years after Churchill's trenchant speech, and despite - apparently - winning the war, the British Empire effectively ended with Indian Independence in August 1947 and the end of the British Mandate in Palestine in May 1948. How did this rapid change of fortune come about? In January 1945, just before the conference at Yalta between Churchill, Stalin and Truman, where the disposition of so much of the post-war world was made, Lord Wavell, the Viceroy of India wrote in his diary: 'I wonder if the Prime Minister, who is the biggest man of the three, will still be able to assert his dominant personality. The book thus also describes the short pivotal period when American influence finally took over from the British in world politics.

My Last Eight Thousand Days Sep 30 2022 As founding editor of Creative Nonfiction and architect of the genre, Lee Gutkind played a crucial role in establishing literary, narrative nonfiction in the marketplace and in the academy. A longstanding advocate of New Journalism, he has reported on a wide range of issues—robots and artificial intelligence, mental illness, organ transplants, veterinarians and animals, baseball, motorcycle enthusiasts—and explored them all with his unique voice and approach. In *My Last Eight Thousand Days*, Gutkind turns his notepad and tape recorder inward, using his skills as an immersion journalist to perform a deep dive on himself. Here, he offers a memoir of his life as a journalist, editor, husband, father, and Pittsburgh native, not only recounting his many triumphs, but also exposing his missteps and challenges. The overarching concern that frames these brave, often confessional stories, is his obsession and fascination with aging: how aging provoked anxieties and unearthed long-rooted tensions, and how he came to accept, even enjoy, his mental and physical decline. Gutkind documents the realities of aging with the characteristically blunt, melancholic wit and

authenticity that drive the quiet force of all his work.

Loaded Apr 01 2020 The 120 Days of Sodom is the Marquis de Sade's masterpiece. A still unsurpassed catalogue of sexual perversions and the first systematic exploration of the psychopathology of sex, it was written during Sade's lengthy imprisonment for sexual deviancy and blasphemy and then lost after the storming of the Bastille during the French Revolution in 1789. Later rediscovered, the manuscript remained unpublished until 1936 and is now introduced by Simone de Beauvoir's landmark essay, 'Must We Burn Sade?' Unique in its enduring capacity to shock and provoke, The 120 Days of Sodom must stand as one of the most controversial books ever written, and a fine example of the Libertine novel, a genre inspired by eroticism and anti-establishmentarianism, that effectively ended with the French Revolution.

The Negro Motorist Green Book Mar 01 2020 The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

Twenty Thousand Leagues Under the Sea Nov 08 2020

Book of a Thousand Days Jul 29 2022 Fifteen-year-old Dashti, sworn to obey her sixteen-year-old mistress, the Lady Saren, shares Saren's years of punishment locked in a tower, then brings her safely to the lands of her true love, where both must hide who they are as they work as kitchen maids.

Checklist Manifesto, The (HB) Aug 18 2021 We live in a world of great and increasing complexity, where even the most expert professionals struggle to master the tasks they face. Longer training, ever more advanced technologies-neither seems to prevent grievous errors. But in a hopeful turn, acclaimed surgeon and writer Atul Gawande finds a remedy in the humblest and simplest of techniques: the checklist. First introduced decades ago by the U.S. Air Force, checklists have enabled pilots to fly aircraft of mind-boggling sophistication. Now innovative checklists are being adopted in hospitals around the world, helping doctors and nurses respond to everything from flu epidemics to avalanches. Even in the immensely complex world of surgery, a simple ninety-second variant has cut the rate of fatalities by more than a third. In riveting stories, Gawande takes us from Austria, where an emergency checklist saved a drowning victim who had spent half an hour underwater, to Michigan, where a cleanliness checklist in intensive care units virtually eliminated a type of deadly hospital infection. He explains how checklists actually work to prompt striking and immediate improvements. And he follows the checklist revolution into fields well beyond medicine, from disaster response to investment banking, skyscraper construction, and businesses of all kinds. An intellectual adventure in which lives are lost and saved and one simple idea makes a tremendous difference.

Keynes Jul 25 2019 Peter Clarke explores the often misunderstood man in the context of his own life and times.
