This Terrible Sound Dec 01 2019 When North and South met among the desolate mountains of northwestern Georgia in 1863, they began one of the bloodiest and most decisive campaigns of the Civil War. The climactic Battle of Chickamauga lasted just two days, yet it was nearly as costly as Gettysburg, with casualties among the highest in the war. In this study of the campaign, the first to appear in over thirty years and the most comprehensive account ever written on Chickamauga, Peter Cozzens presents a vivid narrative about an engagement that was crucial to the outcome of the war in the West. Drawing upon a wealth of previously untapped sources, Cozzens offers startling new interpretations that challenge the conventional wisdom on key moments of the battle, such as Rosecrans's fateful order to General Wood and Thomas's historic defense of Horseshoe Ridge. Chickamauga was a battle of missed opportunities, stupendous tactical blunders, and savage fighting by the men in ranks. Cozzens writes movingly of both the heroism and suffering of the common soldiers and of the strengths and tragic flaws of their commanders. Enhanced by the detailed battle maps and original sketches by the noted artist Keith Rocco, this book will appeal to all Civil War enthusiasts and students of military history.

*The Battle of Valle Giulia* Jan 02 2020 History, we are often taught, is driven by vast social, political, and economic forces. But each political event, each war, each clash in the streets or at the picket lines, is experienced by individuals. It is this profound bond between public history and personal struggle, Alessandro Portelli contends, that gives oral history its significance and its power. In *The Battle of Valle Giulia*--the title comes from an Italian student protest of the 1960s--Portelli reflects on how to connect personal memories with history, how to fittingly collect and represent the complexity of memory. Crossing cultures, classes, and generations, he records the private and singular experiences of Italian steelworkers and Kentucky coal miners, veterans and refugees of World War II, soldiers who fought in Vietnam, Italian resistance fighters and Nazis, and members of student movements from Berkeley to Rome. By listening to those whom others presume are "without historical memory"--such as youthful protesters, or the rural Tuscan women who saw every father, son, and brother killed by Nazi soldiers--Portelli clarifies the process by which narratives come into being as oral history, and he illustrates the differences and distances between story-telling and history-telling. Portelli's articulate discussion of dialogue, representation, narrative and genre link historical analysis with literary and linguistic theory and with the concerns of contemporary anthropology.

**Honour Restored** May 06 2020 At the outbreak of the second World War, Air Chief Marshall Dowding was Commander-in-Chief of RAF Fighter Command, which had been set up three years earlier to protect Britain against attacks from the air and the threat of invasion. London was subjected to extensive night bombing for several months. However, our fighter squadrons and defence systems enabled us to maintain master of the air. The Battle of Britain ended in 1940 and our island was never again under the threat of invasion. Peter Brown, former Battle of Britain Spitfire pilot, presents a vivid account of Britain under the threat of invasion, reminding us of the bravery of our fighter pilots and the courage of the people of Britain who endured the hardships of war and terror bombing from the air. Through personal experience and years of meticulous research Peter offers a careful analysis of the battle and the tactics involved, vigorously defending Dowding's command and exposing the conspiracy of senior officers that saw him removed from office without due recognition for his achievement.

Anton and the Battle Dec 13 2020 When Anton and Luke engage in a battle of one-upmanship, they imagine a puppy as a large dog, escaping to a tree.

*Marston Moor, 1644* Jun 26 2019 The battle of Marston Moor proved to be a turning point in the Civil War and perhaps the biggest ever fought on English soil. The Royalist cause was dealt a mortal blow and although the conflict continued for another year or more, Royalist fortunes never really recovered. As Margaret Toynbee asserts in her introduction, the chief responsibility for the disaster rests with Prince Rupert who failed to liaise with his fellow general, the Marquess of Newcastle. Equally, Oliver Cromwell should receive much of the credit for Parliament's victory. This book describes the campaign and the battle.

**The Battle of Hogwarts** Jan 14 2021 Rediscover the Battle of Hogwarts as seen in the Harry Potter films in this beautiful book, complete with an invisible ink pen with UV light (shaped like the Elder Wand), foldout pages, and fun movie trivia! The Battle of Hogwarts has long been revered as one of the most iconic events in the cinematic history of the Wizarding World. Now fans can rediscover the magic of the Harry Potter films and the wondrous, epic battle that ended the Second Wizarding War - and Voldemort - for good. Discover more about the spells, enchantments, skirmishes, and duels that led up to the Battle of Hogwarts. Which spells were used in the Battle of the Department of Mysteries? What enchantments did the Death Eaters employ during the Skirmish at Malfoy Manor? Whose change of heart - the most powerful magic of all - helped turn the tides? In this book, you'll also learn amazing behind-the-scenes facts about the making of the Harry Potter films. It all comes with a replica of the Elder Wand.

**The Battle of New Orleans** Oct 23 2021 The Battle of New Orleans was the climactic battle of America's "forgotten war" of 1812. Andrew Jackson led his ragtag corps of soldiers against 8,000 disciplined invading British regulars in a battle that delivered the British a humiliating military defeat. The victory solidified America's independence and marked the beginning of Jackson's rise to national prominence. Hailed as "terrifically readable" by the Chicago Sun Times, *The Battle of New Orleans* is popular American history at its best, bringing to life a landmark battle that helped define the character of the United States.

**The Battle for the Ephod** Feb 12 2021 We are all from a tribe and the tribe makes a nation. Each tribe is besieged by "thorns" and these thorns are used by the enemies to steal, kill and destroy the EPHOD. The Battle for the Ephod teaches about the weaknesses and strengths of the tribes and how to engage in spiritual warfare. It also explains the realignment of all the tribes in fulfillment to the word of God. Are you a Leader? Are you afraid to enter into leadership position due to the spiritual warfare it entails? Are you still struggling to hear from God in order to enter into your calling? Have you been disappointed in the past and discouraged by other leaders? Are you a Joseph who wants to receive the eleventh hour miracle? Are you a Dan who must be delivered from idol worship? Are you a Zebulon who must dwell in the secret place of the Most High God? ARISE and take back what the enemy has stolen from you. The 12 Tribes Leaders had their challenges, strength and weaknesses as well. The prayers at the end of each chapter will enable you to actualize the call of God upon your life. Do not miss this divine opportunity. Take back your EPHOD by Fire. Pastor Lawrence Adetunji, Regional Overseer says, *The Battle for the Ephod*, is a book every Christian and minister of God must have to give both fundamental and consolidation for the knowledge required to operate as a Christian soldier, researcher and student in the school of biblical studies .....with operational guidelines for spiritual warfare. A. M. Amoo was born into a non Christian family. She never had a personal relationship with the Lord Jesus Christ for over 30years until she had an encounter with him 1996. The encounters continue through to 2001 after which she eventually

answered to the call of God. This is her first book as inspired by the Holy Spirit. She is also the publisher of His Presence Magazine. An ardent believer and soldier of Christ, she refused to be discouraged despite several attempts on her life to stop preaching the gospel. She is married to K. J. Amoo and they are blessed with children.

**Enigma** Jul 28 2019 ACCLAIM FOR ENIGMA "CRACKING STUFF...VIVID AND HITHERTO UNKNOWN DETAILS." -Sunday Times (London) "IN A CROWD OF BOOKS DEALING WITH THE ALLIED BREAKING OF THE WORLD WAR II CIPHER MACHINE ENIGMA, HUGH SEBAG-MONTEFIORE HAS SCORED A SCOOP." -Washington Post Winston Churchill called the cracking of the German Enigma Code "the secret weapon that won the war." Now, for the first time, noted British journalist Hugh-Sebag-Montefiore reveals the complete story of the breaking of the code by the Allies—the breaking that played a crucial role in the outcome of World War II. This fascinating account relates the never-before-told, hair-raising stories of the heroic British and American sailors, spies, and secret agents who faced death in order to capture vital codebooks from sinking ships and snatch them from under the noses of Nazi officials. Sebag-Montefiore also relates new details about the genesis of the code, little-known facts about how the Poles first cracked the Luftwaffe's version of the code (and then passed it along to the British), and the feverish activities at Bletchley Park. Based in part on documents recently unearthed from American and British archives—including previously confidential government files—and in part on unforgettable, firsthand accounts of surviving witnesses, Enigma unearths the stunning truth about the brilliant piece of decryption that changed history.

**The Battle Book of Ypres** Sep 02 2022 Of the many hard-fought battles on the Western Front, Ypres stands out as an example of almost inhuman endeavour. For four long years it was the focal point of desperate fighting. Officially there were four main battles in 1914, 1915, 1917 and 1918; these were more accurately peaks in a continuing struggle, for Ypres symbolised Belgian defiance, and the British continued to expend disproportionate resources on defending it. It never fell, although the Germans came close to its gates, and indeed its loss would have been a severe blow to morale.??The Battle Book of Ypres, originally published in 1927 and now presented again as a special Centenary Edition, comprises a chronological account of the fighting in the Ypres Salient during the First World War, followed by a useful and unique alphabetical reference to the events in and around each hamlet, village or wood & names familiar to those who fought or followed the course of war all those years ago, names now once again lost in insignificance. The names given to each stage of the struggle by the Battle Nomenclature Committee are listed in the appendix. Also included is an index of formations and units, an annotated bibliography and a new Foreword by military historian Nigel Cave.

**The Battle of the Labyrinth** Aug 28 2019 Time is running out as war between the Olympians and the evil Titan lord Kronos draws near. Even the safe haven of Camp Half Blood grows more vulnerable by the minute as Kronos's army prepares to invade its once impenetrable borders. To stop them, Pe

**The Battle** Jun 30 2022 The game begins again in this gripping follow-up to "exciting, clever" (Booklist) *The Gauntlet* that's a futuristic Middle Eastern Zathura meets Ready Player One! Four years after the events of *The Gauntlet*, the evil game Architect is back with a new partner-in-crime—The MasterMind—and the pair aim to get revenge on the Mirza clan. Together, they've rebuilt Paheli into a slick, mind-bending world with floating skyscrapers, flying rickshaws run by robots, and a digital funicular rail that doesn't always take you exactly where you want to go. Twelve-year-old Ahmad Mirza struggles to make friends at his new middle school, but when he's paired with his classmate Winnie for a project, he is determined to impress her and make his very first friend. At home while they're hard at work, a gift from big sister Farah—who is away at her first year in college—arrives. It's a high-tech game called *The Battle of Blood and Iron*, a cross between a video game and board game, complete with virtual reality goggles. He thinks his sister has solved his friend problem—all kids love games. He convinces Winnie to play, but as soon as they unbox the game, time freezes all over New York City. With time standing still and people frozen, all of humankind is at stake as Ahmad and Winnie face off with the MasterMind and the Architect, hoping to beat them at their own game before the evil plotters expand Paheli and take over the entire world.

**The Battle of Britain** May 30 2022 "A concise, penetrating account....This stirring book inspires an admiration for British courage."—New York Times Book Review

**The Most Dangerous Enemy** Aug 09 2020 "The magnitude and vital importance of the Battle of Britain has found a superb chronicler in Stephen Bungay, whose book is the best single-volume history to be published in over a decade." - Andrew Roberts Stephen Bungay's magisterial history is acclaimed as the account of the Battle of Britain. Unrivalled for its synthesis of all previous historical accounts, for the quality of its strategic analysis and its truly compulsive narrative, this is a book ultimately distinguished by its conclusions - that it was the British in the Battle who displayed all the virtues of efficiency, organisation and even ruthlessness we habitually attribute to the Germans, and they who fell short in their amateurism, ill-preparedness, poor engineering and even in their old-fashioned notions of gallantry. An engrossing read for the military scholar and the general reader alike, this is a classic of military history that looks beyond the mythology, to explore all the tragedy and comedy; the brutality and compassion of war.

**The Battle of the Books, and Other Short Pieces** May 18 2021

**Crete** Aug 01 2022 Acclaimed historian and best-selling author Antony Beevor vividly brings to life the epic struggles that took place in Second World War Crete - reissued with a new introduction. 'The best book we have got on Crete' Observer The Germans expected their airborne attack on Crete in 1941 - a unique event in the history of warfare - to be a textbook victory based on tactical surprise. They had no idea that the British, using Ultra intercepts, knew their plans and had laid a carefully-planned trap. It should have been the first German defeat of the war, but a fatal misunderstanding turned the battle round. Nor did the conflict end there. Ferocious Cretan freedom fighters mounted a heroic resistance, aided by a dramatic cast of British officers from Special Operations Executive.

**The Last Battle** Aug 21 2021 The Battle for Berlin was the final struggle of World War II in the European theatre, the last offensive against Hitler's Third Reich, which devastated one of Europe's historic capitals and brought an end to the Nazi regime. It lasted more than two weeks across April -- May 1945, and was one of the bloodiest and most pivotal episodes of the war, one which would play a part in determining the shape of international politics for decades to come. *THE LAST BATTLE* is a story of brutal extremes, of stunning military triumph alongside the stark conditions that the civilians of Berlin experienced in the face of the Allied assault. It is history at its best, a masterful illumination of the effects of war on the lives of individuals, and one of the enduring works on World War II.

**Sharpe's Trafalgar** Apr 16 2021 Fresh from his heroic adventures in India (in "Sharpe's Fortress"), Richard Sharpe faces a new enemy when the ship carrying him home is attacked by a formidable French warship. With the help of a Royal Navy captain, Sharpe learns the French ship carries a treaty that could ignite renewed hostilities against the British in India.

**Hetty and the Battle of the Books** Nov 04 2022 A passionate campaign brings four best friends back together in a fight to save their school library in this heartfelt tale from bestselling author Anna James. A passionate campaign brings four best friends back together in a fight to save their school library in this heartfelt tale from the bestselling author of *Pages & Co.*

**To Lose a Battle** Nov 11 2020 During six weeks in 1940, Hitler's blitzkrieg shattered the redoubtable Maginot Line and, shortly thereafter, the French army. No historian has written a more definitive chronicle of that disaster than Alistair Horne, or one so emotionally gripping. Moving with cinematic swiftness from the battlefield to the Reichstag and the Palais de l'...lysée, *To Lose a Battle* overflows the confines of traditional military history to become a portrait of the French national soul in its darkest night.

**Helfort's War Book 2: The Battle of the Hammer Worlds** Sep 29 2019 He thought Hell was the worst they could throw at him. He was wrong. Back from tangling with the Hammer of Kraa, the most brutal, trigger-happy tyrants in humanspace, Junior Lieutenant Michael Helfort is assigned to the Federated Worlds heavy cruiser Ishaq, which is struggling to rise to the threat posed by a newly resurgent Hammer. Aboard the floundering ship, Helfort is coming to grips with a painful injury and the unpleasant truth that nobody likes a young hero—least of all senior officers. Without warning, the Ishaq and twenty-seven Fed merchant ships are blown apart in a horrific ambush, the first step in the Hammer's master strategy to destroy the hated Federated Worlds. Michael and a pitiful remnant of the Ishaq's crew escape the inferno. The Feds have no idea who's behind the heinous

attack, and the Hammer are determined to keep it that way, consigning the Ishaq's survivors to a prison camp deep in the wilderness of the Hammer's home planet. No one's getting out alive to derail the Hammer's lethal master plan—especially not the FedWorlds hero who so humiliated them on the battlefield. It's payback time, and the Hammers intend to throw their entire space fleet into destroying Michael Helfort and the Federated Worlds. Too bad it won't be enough.

**Seasons in the Sun** Apr 04 2020 The late 1970s were Britain's years of strife and the good life. They saw inflation, riots, the peak of trade union power - and also the birth of home computers, the rise of the ready meal and the triumph of a Grantham grocer's daughter who would change everything. Dominic Sandbrook re-creates this extraordinary period in all its chaos and contradiction, revealing it as a turning point in our recent history, where, in everything from families and schools to punk and Doctor Who, the future of the nation was being decided. 'A brilliant historian.' A. N. Wilson, Spectator 'Magnificent . . . If you lived through the late Seventies - or, for that matter, even if you didn't - don't miss this book.' Mail on Sunday 'Entertaining, engaging, masterful, a joy . . . as a storyteller, Sandbrook is superb.' Sunday Telegraph 'Sandbrook has rummaged deep into the cultural life of the era to remind us how rich it was, from Bowie to Dennis Potter, Martin Amis to William Golding.' The Times 'While Sandbrook punctures some of our favourite myths . . . what makes this book such a pleasure is the sheer, unashamed nostalgia it evokes.' Daily Telegraph 'Compulsively readable . . . Sandbrook is right to argue that the 1970s was the moment when our century arrived.' Guardian

**To Win the Battle** Jun 18 2021 In 1915 the 1st Australian Division led the way ashore at Gallipoli. In 1916 it achieved the first Australian victory on the Western Front at Pozieres. It was still serving with distinction in the battles that led to the defeat of the German army in 1918. To Win the Battle explains how the division rose from obscurity to forge a reputation as one of the great fighting formations of the British Empire during the First World War, forming a central part of the Anzac legend. Drawing on primary sources as well as recent scholarship, this fresh approach suggests that the early reputation of Australia's premier division was probably higher than its performance warranted. Robert Stevenson shows that the division's later success was founded on the capacity of its commanders to administer, train and adapt to the changing conditions on the battlefield, rather than on the innate qualities of its soldiers.

**The Battle** Feb 24 2022 At Waterloo, some 70,000 men under Napoleon and an equal number under Wellington faced one another in a titanic battle. Alessandro Barbero's majestic account combines British and French histories to give voice to all nations involved. The Battle is a masterpiece of military history.

**The Battle** Mar 04 2020 The revelatory autobiography of a rugby colossus: Paul O'Connell. WINNER OF THE CROSS SPORTS BOOK AWARDS RUGBY BOOK OF THE YEAR There has never been a rugby player quite like Paul O'Connell. He is synonymous with passion, heart and determination; but he is also the thinking man's rugby player, a legendary student of the game. As the heartbeat of Munster, British and Irish Lions captain in 2009, and captain of the first Ireland team to defend a Six Nations championship, O'Connell has emerged as perhaps the most beloved of the golden generation of Irish rugby players. In an autobiography as intense as its author, he tells the story of his remarkable career. 'The years of O'Connell and O'Driscoll were as close to a golden age as ever Ireland will get and O'Connell's book tells you how it all happened ... It should be mandatory for every Irish squad member to read O'Connell's book to better understand what it takes to make a team' David Walsh, Sunday Times 'O'Connell has emptied the tank here. ... What has come out ... is a psychological profile that is almost shocking at times in what it reveals about the bloody single-mindedness of the competitive gene' Hilary A. White, Irish Independent 'The intense physicality of his rugby upbringing is an abiding theme ... along with humour, the craic and an extensive knowledge of how teams work' Paul Hayward, Daily Telegraph 'I found The Battle entrancing' Stephen Jones, Sunday Times 'Excellent ... [an] eye-opening account of the never-ending battles he fought' Rugby World 'Revelatory ... Unflinchingly charts his personal evolution ... He is not at all easy on himself' Keith Duggan, Irish Times

**The Battle of the Books** Apr 28 2022 Joseph M. Levine provides a witty and erudite account of one of the most celebrated chapters in English cultural history, the acrimonious quarrel between the "ancients" and the "moderns" which Jonathan Swift dubbed "the Battle of the Books." The dispute that amused and excited the English world of letters from 1690 until the 1730s was, Levine shows, an installment in the long-standing debate about the relationship of classical learning to modern life. Levine argues that the debate was fundamentally a quarrel about the rival claims of history and literature concerning the proper way to understand the authors of the past. He skillfully examines how both sides wrote their own brands of history: The moderns, led by Richard Bentley, proposed that the "modern" inventions of classical scholarship and archaeology gave them a superior insight into the past; the ancients, marshaled by Jonathan Swift and Alexander Pope, held out for a more direct imitation of antiquity and opposed the new scholarship with all the force of their satire and invective. Levine demonstrates that the ancients and the moderns influenced each other in powerful ways, and had much more in common than they knew. Chronicling a critical episode in the development of modern scholarship, The Battle of the Books illuminates the roots of present-day controversies about the role of the classics in the curriculum and the place of the humanities in education.

**The Gauntlet** Jul 08 2020 When twelve-year-old Farah and her two best friends get sucked into a mechanical board game called The Gauntlet of Blood and Sand, a puzzle game akin to a large Rubik's cube, they know it is up to them to defeat the game's diabolical architect in order to save themselves and those who are trapped inside, including her baby brother Ahmed.

**Armageddon** Mar 16 2021 One of the greatest military feats during the Second World War was the transformation of the German force's activities in the weeks following the battles in Holland and the German border, where the Allies had finally inflicted the greatest catastrophes of modern war on them. Somehow the Germans found the strength to halt the Allied advance in its tracks and to prolong the war to 1945. This book is the epic story of those last eight months of the war in northern Europe.

**The Battle for Roar** Dec 25 2021 The final book in the thrilling trilogy about a set of twins who journey back into the imaginary land they created as children. Perfect for readers who dream of exploring Narnia and Neverland, this heartwarming and gorgeously illustrated story with a classic feel takes readers on an adventure through a vivid and lush imaginary world. A bestseller in the UK! Arthur and Rose Trout are the heroes of Roar, a magical world they created together when they were little, where anything they imagine can become real. Roar is filled with incredible wonders from their own imaginations. Arthur and Rose are looking forward to exploring beyond the End of Roar, an as-yet unexplored part of the world. When they arrive, they're greeted by some long-forgotten fairies who are very excited to see them. Maybe too excited... Facing down a new nemesis, Arthur and Rose must team up with friends old and new to save both Roar and the real world beyond it from total destruction.

**The Battle of Agincourt** Mar 28 2022 'Agincourt! Agincourt! Know ye not Agincourt?' So began a ballad of around 1600. Since the event itself (25 October 1415), Agincourt has occupied a special place in both English and French consciousness. Some early French writers could not bring themselves to mention it by name, using instead descriptions such as 'the accursed day'. For the English, it was one of the greatest military successes ever, and thus was celebrated and commemorated in many forms over the centuries which followed. In the First World War, there were stories of angelic Agincourt bowmen giving support and inspiration to the British army. Much ink has been spilt on the battle but do we really know Agincourt? Many historical works have relied on one or two well known sources or even on Shakespeare. Not since Harris Nicolas's History of the Battle of Agincourt was published (1827-33) has there been a full attempt to survey the sources. This book brings together, in translation and with commentary, English and French narrative accounts and literary works of the fifteenth century. It also traces the treatment of the battle in sixteenth-century English histories and in the literary output of, amongst others, Shakespeare and Drayton. After examining how later historians interpreted the battle, it concludes with the first full assessment of the extremely rich administrative records which survive for the armies which fought 'upon Saint Crispin's day'.

**The Battle Book** Oct 03 2022 This book presents the statistics, tactics, purpose and outcome of over 500 major land battles over 3000 years of warfare. Each entry follows a standard tabular lay out for easy usage. There are appendices on key commanders and first use of weapons. '

**The Battle of the Atlantic** Nov 23 2021 "First published in Great Britain in 2015 by Viking."--Title page verso.

**The Battle of Verril** Jul 20 2021 In this, the finale of the Book of Deacon Trilogy, Myranda and the Chosen face their greatest challenges yet. Time is

running out, and the Generals are growing desperate. Through victory and defeat, reunion and betrayal, neither the heroes nor their foes will rest until they have seen their task through to the end. The only question is, will it be the end of a war, or the end of times?

**The Battle Within** Sep 09 2020 Major Hugh Dégaré never thought working a desk job could be worse than combat. But shortly after starting a new position in a bureaucratic military headquarters far from the front lines, he finds himself fighting to maintain his grip on reality. Amid sleepless nights and intense memories from his combat service, he does what he's always done—takes action. Afraid of being stigmatized by his chain of command, he turns to a psychologist and an estranged friend, Daryl, now an ex-soldier. Despite his best efforts, Hugh's rage continues to grow. When his support network starts to fall apart with no end to his symptoms in sight, Hugh finally turns to a questionable military medical system, desperate to do anything to save his career, marriage, and life itself. His last hope is that the system supposedly designed to help him doesn't put the final nail into his coffin instead.

**The Battle of Bubble and Squeak** Oct 11 2020 Sid, Peggy and Amy adore the two gerbils, Bubble and Squeak, but their mother detests them. A major family battle results, and it's clear life is never going to be quite the same again. But after a near fatal encounter between Bubble and Ginger the cat, Mrs Sparrow begins to see that life with a pair of gerbils might not be so bad after all.

**The Other Face of Battle** Oct 30 2019 Taking its title from *The Face of Battle*, John Keegan's canonical book on the nature of warfare, *The Other Face of Battle* illuminates the American experience of fighting in "irregular" and "intercultural" wars over the centuries. Sometimes known as "forgotten" wars, in part because they lacked triumphant clarity, they are the focus of the book. David Preston, David Silbey, and Anthony Carlson focus on, respectively, the Battle of Monongahela (1755), the Battle of Manila (1898), and the Battle of Makuan, Afghanistan (2020)--conflicts in which American soldiers were forced to engage in "irregular" warfare, confronting an enemy entirely alien to them. This enemy rejected the Western conventions of warfare and defined success and failure--victory and defeat--in entirely different ways. Symmetry of any kind is lost. Here was not ennobling engagement but atrocity, unanticipated insurgencies, and strategic stalemate. War is always hell. These wars, however, profoundly undermined any sense of purpose or proportion. Nightmarish and existentially bewildering, they nonetheless characterize how Americans have experienced combat and what its effects have been. They are therefore worth comparing for what they hold in common as well as what they reveal about our attitude toward war itself. *The Other Face of Battle* reminds us that "irregular" or "asymmetrical" warfare is now not the exception but the rule. Understanding its roots seems more crucial than ever.

**The Face of Battle** Feb 01 2020 John Keegan's groundbreaking portrayal of the common soldier in the heat of battle -- a masterpiece that explores the physical and mental aspects of warfare *The Face of Battle* is military history from the battlefield: a look at the direct experience of individuals at the "point of maximum danger." Without the myth-making elements of rhetoric and xenophobia, and breaking away from the stylized format of battle descriptions, John Keegan has written what is probably the definitive model for military historians. And in his scrupulous reassessment of three battles representative of three different time periods, he manages to convey what the experience of combat meant for the participants, whether they were facing the arrow cloud at the battle of Agincourt, the musket balls at Waterloo, or the steel rain of the Somme. *The Face of Battle* is a companion volume to John Keegan's classic study of the individual soldier, *The Mask of Command*: together they form a masterpiece of military and human history.

**Epping Forest Then and Now** Jan 26 2022 Extra-illustrated history of the Epping Forest region outside of London.

**The Battle of Bretton Woods** Sep 21 2021 Upending the conventional wisdom that Bretton Woods was the product of an amiable Anglo-American collaboration, Steil shows that it was in reality part of a much more ambitious geopolitical agenda hatched within President Franklin D. Roosevelt's Treasury and aimed at eliminating Britain as an economic and political rival. At the heart of the drama were the antipodal characters of John Maynard Keynes, the renowned and revolutionary British economist, and Harry Dexter White, the dogged, self-made American technocrat. Bringing to bear new and striking archival evidence, Steil offers the most compelling portrait yet of the complex and controversial figure of White--the architect of the dollar's privileged place in the Bretton Woods monetary system, who also, very privately, admired Soviet economic planning and engaged in clandestine communications with Soviet intelligence officials and agents over many years. --

**Winning the Battle for Your Soul** Jun 06 2020 Marino Restrepo is a Catholic lay missionary who has been preaching the Gospel message throughout the world since 1999, with the full approval of his bishop. He is the founder of the Church-approved foundation, Pilgrims of Love. Formerly a wealthy Hollywood film producer, who sank into serious sin and the New Age movement, he was abducted for ransom by Colombian guerilla rebels and held captive in the Amazon jungle for nearly half a year. At the beginning of his torturous kidnapping, he underwent a mystical conversion. In the span of one night, Marino was given a complete illumination of his conscience, which revealed to him the sinful state of his soul. He then endured experience likening to his own particular judgement, with the sentence of hell. With a contrite and renewed heart, Marino received infused knowledge of divine matters, which he was later called to share with the world. Today, he is hailed as one of the greatest evangelizers of our time. This little book contains some of the most extraordinary teachings that Jesus has given us through Marino Restrepo, teachings that will profoundly alter and inform the way you see your ancestry, your past, your purpose, and your future. Marino Restrepo's astounding story can be found in the #1 best-selling book: *THE WARNING: Testimonies and Prophecies of the Illumination of Conscience* by Christine Watkins Imprimatur: Ramón C. Argüelles, STL Archbishop-Emeritus of Lipa
