Perfect Son Jun 04 2020 My Perfect Wife, Her Perfect Son reimagines the Holy Family's story through the very human voice of Joseph. Mary's pregnancy only begins his troubles. He has to navigate the unreasonable dictates of a disheveled, wise-cracking Angel Shlomo, Mary's surprising insistence that she

remain a "Blessed Ever Virgin," pushy in-laws, Roman contractors, Jesus's crazy cousin John, and the allure of the harlot Safiya, just a few of the challenges for an imperfect man assigned to become a role model for the son of God.

other people's lives, is shocked into reexamining her ideals when her idolized son marries and brings to their home a cheap, vulgar girl. After their daughter, Dids, is born, Mary fights for Dids to free her from her mother's influence. By the end of the novel, Dids has grown up to be a fine young woman on her way to the university, and Mary has gained the maturity she needs to be a friend to her son's wife.

The Warlord's Wife Nov 02 2022 A stunning historical romance from debut author Sandra Lake transports readers to 12th century Sweden, where a powerful Viking lord will discover a fierce heart cannot be taken by mere force. Lida

was married to the love of her life for just two months when she became a widow. Pregnant and disowned by her late husband's family for suspected infidelity, she was forced to return to her family in shame. Eight years later, uninterested in the prospect of finding another husband, she finds herself the unwilling object of a marriage contract with a powerful warlord. In a day, she is wed, bed, and put on a ship headed for Tronscar; an unknown icy stone and steel fortress. Jarl Magnus is pleased to have taken a strong wife who, however stubborn she may be, will surely produce sons. However, he is less pleased with his wife's

additional baggage—a young daughter. But despite himself, Magnus falls for the daughter just as hard as the mother, and Lida's heart is warmed to see the cold, serious Jarl move surprisingly fast into the role of stepfather. When enemies attack Tronscar, Jarl Magnus's nerves of steel waver, as the warrior fears his love for Lida will weaken him. But when his family is threatened, he'll go to war to protect them, discovering along the way that they have the strength to protect themselves. "With compelling characters and a clever plot, *The Warlord's Wife* will appeal to readers obsessed with TV's Vikings, and who miss the classic Viking

romances of Catherine Coulter or Johanna Lindsey.”—Heroes and Heartbreakers “Lake’s debut historical romance is sure to appeal to those who enjoy spirited heroines, grumpy alpha heroes, and a slow sweet journey to everlasting love.”—Smexy Books “Man, this was a fun book! ... I cut my teeth on Johanna Lindsey, and this book reminded me so much of those experiences.”—Dear Author Sandra Lake lives with her husband and son in Quebec, Canada. The Warlord’s Wife is her debut novel.

The Northman's Bride Dec 11 2020 Passions flare in the icy north in the third Sons of the North Romance novel from the author of The Warlord’s Wife and The Iron Princess... Sovia, daughter of Baron Losna, is on a mission to seduce Stål Magnusson, firstborn son of Swedish warlord Jarl Magnus Knutson and heir to his seat. With a civil war on, the stakes are high. The Baron needs the money and political alliance that Sovia’s marriage to Stål would secure. Fortunately,

Sovia’s skill with men, not to mention the rugged good looks of her target, makes the assignment all too easy. But the tables turn when Sovia realizes she has taken the wrong Magnusson— Stål’s twin brother Hök—to bed. Wrong brother or not, Hök is enamored, and offers to marry Sovia. When that offer is rejected by her father, Hök’s heart and pride are broken. Seven years later, as Lady Sovia is about to be executed by Norway's usurper king, Hök, now a battle-hardened warrior, comes to her rescue—by finally taking her hand in marriage. Though his intent is to take revenge, as well as her hereditary land, he cannot help

Hey, Dad May 16 2021 Hey, Dad! is an incredible novel of a single father of three kids. His wife left him with three young kids. He stayed single to raise his kids. He also tried to find the other child he fathered when he was in high school at age fifteen. A few years later, he met a rich woman. At first, her family didn't agree with her decision to marry a single father of three kids. Her

parents thought that he married her for money, but she truly loved him and he truly loved her. They married and had two sets of twins. He also found his other child after seventeen years. His three sons graduated from high school. His older son joined in military. His other two sons went to college. His life was going so good with a happy life as he had wished for. A few years later, his wife was diagnosed with breast cancer. She passed away and left him with two sets of twins. His older son went to Iraq. His son ended up missing in Iraq. His life became a miserable. He lost his wife, and his son could die in Iraq.

When Your Children Marry
Jul 30 2022 Marriage is an important transition in the life of any adult who marries. But often when a son or daughter gets married, their relationships with their natal families changes. It is often said that a 'daughter is a daughter all of her life, but a son is a son 'til he takes him a wife.' This book examines how marriage changes relationships between adult children and their parents and how this differs for sons versus

daughters. Merrill considers the process by which men 'get pulled into' their wives' families and the ways in which men are sometimes more connected to their wives' families following marriage than to their own families. But what is it about a relationship with a son that changes when he marries? And why do daughters tend to stay closer? Why do mothers experience greater difficulty in negotiating relationships with married sons than with married daughters? Why do daughters tend to stay closer and maintain stronger ties to their natal families than sons do? This book answers these questions and offers advice for mothers on how to maintain

strong ties with their children when they marry, negotiate relationships that may be fraught with new challenges, and accept changes when they happen. Sharing firsthand accounts from mothers, sons, and daughters, the author sheds new light on this neglected topic.
